

Lincoln County Homeless Outreach Commitment Card

We are all connected... "What happens to children has a lifelong impact on them. When you see a homeless adult it is quite possible that they are homeless because of the people and systems that failed them as children." ~ National Alliance to End Homelessness

Let us work together to strengthen the organizations and systems in place, to empower and provide for our youth and adults with the intention to improve, and eventually break, the chronic cycles of homelessness.

What do you feel are the **most** important issues concerning homeless people in Lincoln County?

Please mark "1" for the highest priority and numerically list the others accordingly.
