Dear Ladies & Gentlemen:

I represent James W. Drayton and James W. Drayton, Trustee named above pertaining to their real property described above, hereafter "claimants."

Under the requirements of Ballot Measure 37, claimants hereby submit a claim for compensation pursuant to ORS 197.352 in the amount of \$2,500,000.00 for the reduction in fair market value of the claimants' affected property interests resulting from enactment or enforcement of land use regulations as of the date of this claim.

Within 180 days hereof, kindly order that **all** land use regulations burdening the property not be either applied to or enforced against the property, **including without limitation** transportation plans and restrictions limiting the construction of improvements, the quantity and processing of rock or materials on site, and/or in any way limiting the use of such property. Otherwise, kindly remit the sum of \$2,500,000.00 on claimants' claim. Kindly address all correspondence on this matter to my office.

Very truly yours,
