About the Service

We know that transportation needs don't stop at the border of Benton or Lincoln County. We also know that many clients enjoy visiting the coast or have a need to get from Newport to the regional medical center in Corvallis. Thus, a service has been designed to fit your needs.

Travel from one city to the other and return the same day if you wish. Or, stay a few days and return on the next service day. Every **Monday, Wednesday** and **Friday**, Benton County Dial-A-Bus and Lincoln County Transit travel to a half-way point between the two cities, exchange riders and then transport them to their desired destinations

To travel with us, make a reservation 1-7 days in advance with either Lincoln County Transit if you live in Lincoln County or Dial-A-Bus if you live in Corvallis.
