

LINCOLN COUNTY VOTERS' PAMPHLET

GENERAL ELECTION

NOVEMBER 2, 2004

SAMPLE BALLOT AND BALLOT DROP SITES INCLUDED

Dear Lincoln County Voter:

This is your Lincoln County Voters' Pamphlet.

Through a cooperative effort between the Lincoln County Clerk and the Secretary of State, this county pamphlet is bound into the center of the State Voters' Pamphlet.

This pamphlet is provided to give you, the voter, additional information on candidates and measures. You will not vote on every office or measure in this pamphlet. Your ballot will contain only those issues for which you are eligible to vote—based on where you live. Each candidate had the opportunity to submit a picture and statement regarding his/her candidacy.

This General Election will be held completely by mail. Your ballot will arrive in the mail on or near October 18th. After voting your ballot, you may drop it in the mail or deposit it at one of our drop sites listed on page 21-31 in this pamphlet. If you have any questions please call our office at (541) 265-4131.

A handwritten signature in black ink, appearing to read "Dana W. Jenkins".

Dana W. Jenkins, Lincoln County Clerk

ATTENTION

This is the beginning of your county voters' pamphlet. The county portion of this joint voters' pamphlet is inserted in the center of the state portion. Each page of the county voters' pamphlet is clearly marked with a gray bar on the outside edge. All information contained in the county portion of this pamphlet has been assembled and printed by your Lincoln County Clerk.

TABLE OF CONTENTS

MEASURES

21-97 Local Option Tax for Library Funding	21-3
21-98 Approval of City of Yachats City Charter	21-4
21-99 Bonds to Improve and Expand Lincoln City's Sanitary Sewer System	21-5
21-100 Local Option Tax Levy (City of Depoe Bay).....	21-6
21-101 City of Toledo General Obligation Bonds for Fire Station.....	21-7

All candidates were invited to participate in this pamphlet. The following candidates submitted information.

LINCOLN COUNTY LIBRARY DISTRICT

Measure No. 21-97

BALLOT TITLE

21-97 LOCAL OPTION TAX FOR LIBRARY FUNDING

QUESTION: Shall Lincoln County Library District levy 9¢ per \$1000 assessed value for five years, beginning 2005-2006, to fund your library?

SUMMARY: Approval of this measure will provide funding for libraries in Lincoln City, Newport, Siletz, Toledo and Waldport.

It is estimated that this measure would raise approximately \$241,885 in tax revenues for 2005-2006, \$247,932 in tax revenues for 2006-2007, \$254,130 in tax revenues for 2007-2008, \$260,483 in tax revenues for 2008-2009, and \$266,995 in tax revenues for 2009-2010.

EXPLANATORY STATEMENT

Before the formation of the Lincoln County Library District, people living in unincorporated areas of Lincoln County and Depoe Bay did not have access to a public library. In 1991 the city libraries of Lincoln City, Newport, Siletz, Toledo and Waldport began contracting with the Library District to receive funds for providing fee free library service to all residents of Lincoln County. The purpose of this tax measure is to continue this service.

Who votes on this measure?

Every voter living outside the city limits of Lincoln City, Newport, Toledo and Yachats.

Why is this 5-year local option tax needed?

To ensure that you will continue to have full access to the public libraries in Lincoln City, Newport, Siletz, Toledo and Waldport.

The library services include:

- Check out books, videos, DVD's and other library materials.
- Reserve books, videos, DVD's and other library materials 24 hours a day through the Internet
- Internet access to reference databases
- Computer use for checking your e-mail and using the Internet
- Courier service which brings materials you request to your local library

How would this tax impact a homeowner's taxes?

The five-year tax is 9¢ per \$1,000 of assessed value. Currently, at a rate of 24.65¢ per \$1,000, a homeowner with a \$150,000 home pays \$36.97. With the passage of this tax the homeowner will pay an additional \$13.50, or a total of \$50.47.

What happens if the tax does not pass?

Some or all of these things may happen at your local library:

- Fewer books and other materials being purchased
- More reductions in hours of operation
- Further reductions in courier service and interlibrary loans
- Further reductions in staffing levels
- Possible changes in agreements for city library usage by Library District residents
- Elimination of some programs and services

(This information submitted by Jan Christensen, President, Board of Directors, Lincoln County Library District)

CITY OF YACHATS

Measure No. 21-98

BALLOT TITLE

21-98 APPROVAL OF CITY OF YACHATS CITY CHARTER

QUESTION: Shall the voters of the City of Yachats approve a revised city charter?

SUMMARY: The current Yachats charter has become outdated since the incorporation of the City of Yachats in 1967, and therefore the City Council of Yachats desires to update the city charter for the city. A charter review committee reviewed the existing charter and has recommended submitting to the voters a revised charter. The committee agreed that the proposed revision of the charter should be based on the League of Oregon Cities' Model Charter for Oregon cities. This is an updated version of previous models with footnotes and appendixes to back up and give analysis of various sections. In this revised edition certain topics have been eliminated because the state has preempted the City's authority. In addition, the language has been made gender neutral. However the committee made some amendments, additions or deletions to the model language to reflect provisions in the existing Yachats Charter in either the same wording or as modified by the committee. This new charter, if adopted by the voters at this November General Election, will go into effect on February 1, 2005.

EXPLANATORY STATEMENT

The current Yachats Charter has become outdated since the incorporation of the City of Yachats in 1967, and therefore the City Council of Yachats desires to update the city charter for the city. A charter review committee reviewed the existing charter and has recommended submitting to the voters a revised charter. The committee agreed that the proposed revision of the charter should be based on the League of Oregon Cities' Model Charter for Oregon cities. This is an updated version of previous models with footnotes and appendixes to back up and give analysis of various sections. In this revised edition certain topics have been eliminated because the state has preempted the City's authority. In addition, the language has been made gender neutral. However the committee made some amendments, additions or deletions to the model language to reflect provisions in the existing Yachats Charter in either the same wording or as modified by the committee. This new charter, if adopted by the voters at this November General Election, will go into effect on February 1, 2005.

City of Yachats)*

CITY OF LINCOLN CITY

Measure No. 21-99

BALLOT TITLE

21-99 BONDS TO IMPROVE AND EXPAND LINCOLN CITY'S SANITARY SEWER SYSTEM

QUESTION: To improve and expand sewage treatment plant and collection system, shall Lincoln City issue \$22 million in general obligation bonds? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

SUMMARY: To protect the environment, meet Federal and State requirements, and have sufficient capacity, the City must:

- Upgrade the 20-year old sewage treatment plant;
 - Upgrade the plant's aeration basins to stop sewage leaks;
 - Upgrade the system's pump stations to eliminate sewage overflows;
 - Make other improvements.
- The estimated cost is \$22 million.

This measure approves up to \$22 million in general obligation bonds to pay for design and construction of these improvements and related studies and planning. Covered projects are listed in the 2004 Wastewater Facilities Plan, which may be revised periodically. The bonds will mature in up to 30 years. The average estimated bond cost, if only property taxes are used to pay off the bonds, is \$1.75 per \$1,000 of assessed value per year, based on a 25-year term. However, the City plans to use other funds to help pay the bonds, such as money received from developers and sewer ratepayers. The actual property tax cost for the bonds therefore should be less, averaging 85 cents per \$1,000 of assessed value per year.

EXPLANATORY STATEMENT

This measure asks voters to authorize Lincoln City to issue \$22 million of general obligation bonds to finance improvement and expansion of the sewage treatment plant and collection system.

Sewer System Needs. To protect the environment from pollution by sewage, to meet Federal and State requirements enforced by the Oregon Department of Environmental Quality, and so that the sewer system will have sufficient capacity, the City needs to expand and improve the sewer system.

For example, the City's sewage treatment plant is 20 years old:

- The aeration basins leak. The City must upgrade the basins to stop the leaks.
- The plant does not have enough capacity to treat sewage from expected growth. The City needs to expand the plant.

The City also needs to improve the sewage collection system. For example:

- Some of the system's pump stations do not have enough pumping capacity. Because of this, there sometimes are sewage overflows during rainstorms. The City needs to increase the pump capacity.
- The collection system's capacity is reduced because of excessive "inflow" and "infiltration." "Inflow" occurs during rainstorms when water flows into the collection system,

such as through manholes. "Infiltration" occurs when water already in the ground leaks into the sewer pipes. Although some inflow and infiltration is unavoidable, the City needs to reduce excessive inflow and infiltration, so that as much as possible of the sewer system's capacity is used to collect and treat sewage, rather than rainwater and groundwater.

The City's 2004 Wastewater Facilities Plan identifies these and other problems and lists sewer system expansion and improvement projects the City needs to design and construct, as well as studies and further planning the City needs to do, by 2010. The City may modify the list occasionally, as it gains further information. The 2004 Plan estimates that the cost to design and construct the projects and do the studies and planning will be about \$22 million.

Financing Plan for Sewer System Expansion and Improvement—The Bonds. This measure proposes that the City borrow up to the needed \$22 million by issuing general obligation bonds, with a term up to 30 years.

Lincoln City intends to use three sources of money for the payments required to pay off the bonds:

- Sewer system development charges paid by property developers;
- A portion of payments the City receives from sewer system customers when they pay their sewer bills; and
- Property taxes.

If the City were to use only property taxes to make the bond payments, which this measure authorizes, the City could increase property taxes an estimated average of \$1.75 per \$1,000 of assessed value annually during the term of the bonds. This estimate assumes a 25-year term. However, since the City intends to use system development charges and sewer system customer revenues for a portion of the payments, the City believes the actual property tax cost for the bonds should be only an estimated average of 85 cents per \$1,000 of assessed value each year.

(This information submitted by Christopher P. Thomas, City Attorney, City of Lincoln City)

CITY OF DEPOE BAY

Measure No. 21-100

BALLOT TITLE

21-100 LOCAL OPTION TAX LEVY

QUESTION: Shall the City be authorized to levy a local option tax of 35¢/\$1,000 valuation for five years commencing in 2005-2006?

This measure may cause property taxes to increase more than three percent.

SUMMARY: This measure authorizes the City to levy a property tax at a rate of 35¢ per thousand dollars assessed valuation each year commencing the fiscal year beginning July 1, 2005 for five consecutive years. The City estimates that this measure would raise approximately \$97,678 in tax revenues in 2005-2006, \$102,562 in 2006-2007, \$107,687 in 2007-2008, \$113,072 in 2008-2009 and \$118,725 in 2009-2010. The taxes would be used, in conjunction with dedicated transient room tax revenues, to finance the City Public Safety and Law Enforcement Program including a contract with the Lincoln County Sheriff's Department for the services of one deputy sheriff, an office with furnishings and office equipment, administrative support and to pay related costs.

ment program costs include an office with furnishing and office equipment for the deputy's use and administrative support.

A fixed tax levy of 35¢ per \$1,000 assessed value is \$35 for property with an assessed value of \$100,000.

EXPLANATORY STATEMENT

Law enforcement services in Depoe Bay have been impacted by the reduction in the number of deputies and troopers on patrol which the Lincoln County Sheriff's Office and the Oregon State police have had to implement due to economic reasons. With no City police department, the City relies upon the Lincoln County Sheriff's Department and the Oregon State police for law enforcement services.

Various options for providing law enforcement services in the City have been investigated and evaluated with it being determined that the most feasible option is to contract with Lincoln County Sheriff's Department for the services of one deputy. The Sheriff's Office has indicated support for such a contract with the City and has provided cost estimates which have been the basis for projections of tax revenues needed to fund the program.

The City's public safety and law enforcement program is planned to be funded by a combination of funding sources. Effective July 1, 2003 the City's transient room tax rate was increased from 7% to 8% with the additional 1% tax revenues dedicated to the program. The local option tax levy for which the City is seeking voter approval is intended to provide approximately 60% to 70% of the annual costs of the program. The measure is for five years, which is the maximum number of years for which a local option tax levy to support services may be authorized. The first year the local option tax would be levied is fiscal year 2005-2006, beginning July 1, 2005. Voter authorization would be necessary to continue funding by tax levy after expiration of the five year time period.

Passage of the measure would provide funding, in conjunction with dedicated transient room tax revenues, for the costs of a contract with the Lincoln County Sheriff's Department for one deputy at an estimated annual amount of \$110,000 (2004 estimate provided by the Sheriff's Office). The contract would include the services of one deputy at 40 hours per week, a vehicle and equipment, and the Sheriff's Office administrative costs. The contract would begin in fiscal year 2005-2006 and the contract amount is projected to increase each year of the proposed five year period. Other public safety and law enforce-

CITY OF TOLEDO

Measure No. 21-101

BALLOT TITLE

21-101 CITY OF TOLEDO GENERAL OBLIGATION BONDS FOR FIRE STATION

QUESTION: Shall the City of Toledo issue \$2.1 million of general obligation bonds to provide a new fire station? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

SUMMARY: The present fire hall was constructed in 1979; it has developed severe structural problems. There is a slide area that affects the fire station site and has caused structural damage to the building. At least three geotechnical engineers have investigated the site in the past ten years without a definitive, cost-effective solution. The last investigation, completed in 2000, recommended that for safety reasons the building no longer be occupied. The City Council is submitting this measure to the voters to allow the city to build and equip a new fire station on a different site.

A City Council subcommittee, staff and architects have worked to propose a new structure which is approximately the same size as the existing facility. The architect's cost estimate is \$2,100,000.

You are being asked to approve a general obligation bond to pay for the new fire station. The bond cost at today's rates is estimated for a property assessed at \$100,000 to be about \$60 per year for twenty years.

EXPLANATORY STATEMENT

The present fire hall was constructed in 1979; it has developed severe structural problems. There is a slide area that affects the fire station site and has caused structural damage to the building. At least three geotechnical engineers have investigated the site in the past ten years without a definitive, cost-effective solution. The last investigation, completed in 2000, recommended that for safety reasons the building no longer be occupied. The City Council is submitting this measure to the voters to allow the city to build and equip a new fire station on a different site.

You are being asked to approve a general obligation bond to pay for the new fire station. The bond cost at today's rates is estimated for a property assessed at \$100,000 to be about \$60 per year for twenty years.

(This information submitted by Pete Wall, City Manager, City of Toledo)

ARGUMENT IN FAVOR

STATEMENT IN SUPPORT OF BALLOT MEASURE #21-101: 2.1M BOND FOR CONSTRUCTION OF NEW TOLEDO FIRE STATION

Statement in favor of new fire station: The Toledo Fire Station needs to be replaced. It was built 25 years ago on unstable soil. Since being built it has sustained irreparable damage from geological forces. In order to provide a safe working environment to the city firefighters the City of Toledo City Council approved a ballot measure to construct the new fire station. Much research has been done, and a suitable, stable site has been found. The staff of the fire department and city has all worked together to bring the citizens a fire station that will meet the current demands of the citizens for essential services that the firefighters provide. During this process as much that could be removed without negatively affecting the Fire station or firefighters was removed to keep the costs at the absolute minimum. This is not something that we want to do rather something that we have to do. We urge you to support the firefighters who tirelessly serve your community by providing them with a yes vote for their new home. Thank you.

The Toledo Volunteer Fire Association

(This information furnished by Marcie Miller, Treasurer, Toledo Volunteer Fire Association.)

LINCOLN COUNTY COMMISSIONER

Position No. 2

KAREN GERTTULA
REPUBLICAN

OCCUPATION:

Retired

OCCUPATIONAL BACKGROUND:

Lincoln County Commissioner, 1999-2002
Director, Lincoln County CASA, 1989-1998
Teacher, Lincoln County Schools

EDUCATIONAL BACKGROUND:

B.A., University of Oregon

PRIOR GOVERNMENTAL EXPERIENCE:

Lincoln County Commissioner, 1999-2002
Toledo City Councilor, 1985-1998
Toledo Planning Commissioner, 1981-1984

RE-ELECT KAREN GERTTULA. She is **EXPERIENCED** and brings **BALANCE** back to this office.

A 31-year Toledo resident, Karen served as your County Commissioner from 1999 through 2002 and is seeking re-election to guarantee that citizens countywide receive the fair and honest representation they deserve. Her goal is to help county residents find ways to meet their individual and collective needs.

Previous accomplishments include:

- Securing almost \$800,000 for 29 community development projects throughout Lincoln County
- Serving on the Oregon Telecommunications Coordinating Council
- Helping to expand county's health care sector
- Taking firm stands on tough issues regardless of political consequences

In a 2002 editorial, a local newspaper said of Gerttula, "Pragmatic, she's known as a good manager...Gerttula has a successful record in building infrastructure for coastal residents and would serve the county well for another four years" (Newport News-Times, 10/18/2002).

Farther north, an editorial endorsement of Gerttula stated, "Karen Gerttula, on the other hand, is a constant presence in our neck of the woods. She deftly listens and acts on the needs of Lincoln City area residents...we heartily endorse her..." (The News-Guard, 10/30/2002).

Yet another editorial summed up Gerttula's first term in office when it pronounced, "During her four years as county commissioner, Gerttula proved over and over her commitment to all of Lincoln County through her voting record and her very presence at any and all public and private occasions. Gerttula displayed a particular talent for listening and being in the right place at the right time, and she is a shining example for others who sit at the commissioners' table." (The News-Guard, 12/18/2002).

Endorsed by Lincoln County Chapter, Oregon League of Conservation Voters and many local community leaders and residents.

(This information furnished by Karen Gerttula.)

BILL HALL
DEMOCRAT

OCCUPATION:

News Director, Yaquina Bay Communications (KNPT-KYTE-KBCH-KCRF-U92), Newport and Lincoln City, 1991-Present.

OCCUPATIONAL BACKGROUND:

News Director, KZUS radio, Toledo; Reporter, Newport News-Times; Producer, KBPS radio, Portland

BILL HALL - A COMMITMENT TO EXCELLENCE

Bill Hal has invested two decades covering the people and governments of Lincoln County as a working journalist. Bill has a strong, solid knowledge of our system of governance and how it should meet our needs -- in all parts of Lincoln County.

Not only has Bill Hall provided us with daily updates on the events meaningful to our lives, he's shared his expertise and empathy with others through six years as a board member and president of Lincoln County Food Share and now with Samaritan House.

Bill has personally experienced the critical times many families face. When his mother became an invalid, he cared for her night and day for five years, while working full time. Bill will fight to protect services families need during these difficult times.

Bill hall has the commitment and vision to build a better county for all of us:

- * Remove roadblocks to businesses and workers so our economy can thrive.
- * Work with law enforcement to heighten the safety of our neighborhoods and rural areas.
- * Protect and enhance the environment -- so important to our economy and the quality of our lives.
- * Strengthen the safety net under those, who, through no fault of their own, are in the greatest need.

"Winston Churchill once said he had nothing to offer but 'blood, toil, tears and sweat.' I pledge the same to you." -- Bill Hall

Please join your neighbors in supporting Bill Hall in November.

Learn more about Bill and his vision and commitment at www.billchall.com

LINCOLN COUNTY SHERIFF

DENNIS DOTSON
NONPARTISAN

OCCUPATION:

Lincoln County Sheriff

OCCUPATIONAL BACKGROUND:

Oregon State Police Commander-Lincoln County; Commander - Lincoln Interagency Narcotics Team; State Legislative Assistant; Senate Committee Administrator.

EDUCATIONAL BACKGROUND:

Washington High School; Portland Community College; Northwestern University Traffic Institute.

PRIOR GOVERNMENTAL EXPERIENCE:

Governor's Juvenile Crime Prevention Task Force; Local Public safety Coordinating Council.

COMMUNITY INVOLVEMENT: Children's Advocacy Center; Domestic Violence Council; School District Resolving Conflict Advisory Board; Siletz Indians Child Protection Team; Partnership Against Alcohol and Drug Abuse; Olalla Treatment Center for Children and Families; Rotary Club.

TOUGH ON CRIME

"Tough law enforcement and crime prevention partnerships are necessary to reduce crime. I'll continue to build partnerships with our citizens and communities to reduce crime and illegal drug use."

Sheriff Dennis Dotson

"Sheriff Dotson understands that law enforcement efforts alone are not enough to reduce crime and make our communities safer. Citizen involvement is necessary to turn the tide on increasing crime rates and methamphetamine use."

Barbara Jenkins-Gibson, Lincoln City Businesswoman

TRUSTED, EXPERIENCED LEADERSHIP

"Strong, experienced leadership is necessary to provide competent, affordable law enforcement services. I'll fight for stable funding, but operate the Sheriff's Office within the budget."

Sheriff Dennis Dotson

"Sheriff Dotson has demonstrated skill as a strong and experienced leader through his management of important issues and the budget process."

Don Lindly, Lincoln County Commissioner

ACCESSIBLE AND DEDICATED

"Communication and participation are keys to successful relationships. I'll continue my countywide efforts to reach out to our citizens."

Sheriff Dennis Dotson

"Dennis Dotson has spent his adult life serving others. He's involved throughout our county and understands our public safety concerns and needs. Sheriff Dotson is accessible and cares about our safety and security."

John Baker, Newport Businessman

CENTRAL LINCOLN PUD

Director, Subdivision No. 3

CURT ABBOTT
NONPARTISAN

OCCUPATION:

Self Employed Computer Consultant

OCCUPATIONAL BACKGROUND:

None

EDUCATIONAL BACKGROUND:

None

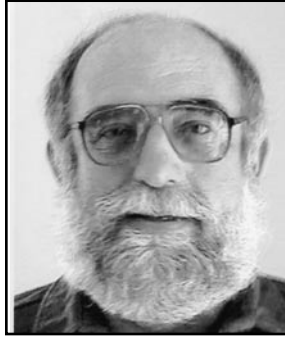

PRIOR GOVERNMENTAL EXPERIENCE:

Central Lincoln PUD, Director
City of Waldport, Council

For the past year and a half, I have been your representative on the board of directors of the Central Lincoln PUD. In that time, I have come to appreciate the compelling issues involved in the delivery and service of your electricity. We are usually happy when we flip the switch and the power goes on. But the challenge of maintaining that supply requires intricate planning and cooperation with many entities. In our case, that includes everything from local cities to the Federal Government. If these relationships are not managed properly, your rates and quality of service could be severely affected. Your board of directors works diligently to keep your rates low and your service constant. Because of this, Central Lincoln PUD has some of the lowest rates in the state and a superb quality of service. For example, during the ice storm earlier this year, many utilities suffered outages that lasted several days, while Central Lincoln had service restored within hours. And for those of us in South County, it was under an hour. We are very fortunate to have a locally controlled public utility. We have not seen the devastation brought on by the likes of Enron and others that see utilities as a way to line their pockets with money from the rates they charge their customers.

You have an excellent board of directors and a superb utility. I hope to continue to serve as your representative. I appreciate your vote.

- 1988-1990 Planning Commission
- 1990-2003 Yachats Budget Committee
- 1997-2000 Public Works and Streets Commission - Chairman
- 2002-2003 City Council - Appointed to open Councilor positions

City of Yachats: Elected 1990-1996 City Council - Council President & Mayor ProTem

During the past 25 years of working as a telephone cable splicer, I have worked in the public utility easement shared by all utilities. I have been involved in projects that removed utilities from existing pole lines and placed them underground.

I feel that Central Lincoln PUD should reshape their crews and add directional boring equipment. I would voice a commitment to undergrounding existing overhead facilities when their useful life is completed and necessary upgrades are required. This would be in the interest of public safety and enhance continuity of service that otherwise can be interrupted by outages caused by high winds common on the coast. In an effort to honor the natural beauty of our special piece of the planet, imagine no power poles, it's easy if you try. No overhead wires, above us only sky.

(This information furnished by Larry Nixon.)

CITY OF DEPOE BAY

Mayor

BRUCE SILVER
NONPARTISAN

OCCUPATION:

Retired

OCCUPATIONAL BACKGROUND:

Owner/Operator, precision sheet metal fabrication shop

EDUCATIONAL BACKGROUND:

High School Diploma

PRIOR GOVERNMENTAL EXPERIENCE:

City of Depoe Bay
Harbor Commissioner
Planning Commissioner
City Councilor and Council President
Mayor

As Mayor, I pledge to preserve the integrity and consistency of government necessary for us to move forward and address concerns important to our city as a whole while remaining sensitive to individual needs. Duty of the Depoe Bay City Council is to apply the City's Charter, Comprehensive Plan and Ordinances fairly. As changing circumstances warrant reconsideration of these guidelines, procedure exists to modify them. Fairness to any decision should not be arbitrary.

Two years ago in my campaign for Mayor, I described issues I felt to be important to the City. While progress has been made, more work needs to be done;

Clean water storage project:

With the bond approval, purchase of the required property is complete allowing selection of an engineering company to finalize the designs so that construction may begin.

Downtown parking, pedestrian & highway safety.

Work continues on the Downtown Refinement Plan that considers these issues.

Preservation of our Harbor

Landslide stabilization project is 90% complete. Dredging and fuel availability remains a concern.

Improved facilities for City Parks.

With the help of volunteers and donations, our City Park lands have seen wonderful improvements.

Preservation of open areas

Purchase of the Parkland on the northwest side of Hwy 101 is complete.

Preservation and livability of our neighborhoods.

While I remain resistant to erosion of the City's residential neighborhoods through commercial influence, I recognize the need for specific area considerations.

The children of our community are precious to our future. I have encouraged our Council to recognize this by providing suitable facilities to accommodate their programs. I believe the City needs to continue our support in the youth programs through dollar contributions from our City's budget.

I enjoy participating in Depoe Bay city affairs. It has been both interesting and challenging.

(This information furnished by Bruce Silver.)

JAMES L. WHITE
NONPARTISAN

OCCUPATION:

Retired

OCCUPATIONAL BACKGROUND:

Retired Military 20 years
Retired Lincoln City Police Officer
27 years law enforcement experience

EDUCATIONAL BACKGROUND:

Paul D. Camp C.C. 2 years Criminal Justice Studies
2500 hrs. specialized police training

PRIOR GOVERNMENTAL EXPERIENCE:

Depoe Bay City Council past 1 1/2 years

I believe City Government has three basic tasks: Keep it's citizens safe, keep it's area healthy, and make the city prosperous. It is important for all factions of City Government and it's citizens to work together as a team in the best interest of the city.

(This information furnished by James L. White.)

CITY OF DEPOE BAY

City Council, Position No. 1

City Council, Position No. 2

ALICE I. BROWN
NONPARTISAN

OCCUPATION:

Self-employed - "Depoe Bay Vision Clinic"
Optometrist - 1991 to present

OCCUPATIONAL BACKGROUND:

Self-employed "Shewood Vision Clinic"
Optometrist - 1983-1990

EDUCATIONAL BACKGROUND:

Pacific University - Doctorate of Optometry - 1980
Linfield College - Bachelor of Arts - 1975
Newberg High School - Graduated 1972

PRIOR GOVERNMENTAL EXPERIENCE:

Incumbent

ALICE BROWN IS COMMITTED TO:

*** VOLUNTARY COMPLIANCE**

"Our ordinances should reflect the will and needs of the people, so that there will be voluntary compliance and not wide-spread violations. Voluntary compliance insures a minimum need for enforcement procedures and resultant litigation. Our ordinances must comply with State Statutes in order to protect our City Charter and State funding. City Council must be willing to educate our citizens about the City's requirements to comply with State Statutes."

*** PARITY**

"City Council must remember that Depoe Bay is not an isolated community. Fees people pay for governmental services should be comparable to the charges levied by neighboring communities. We must keep in mind the economic challenges faced by both the business community, as well as the residents of our town. The goal should be for all of us to thrive and prosper."

*** BALANCE**

"Our Comprehensive Plan and land use ordinances should retain our small town character and economic viability, so as to experience ongoing renewal. We need to fairly treat the rights of existing property owners, while providing opportunities for new arrivals to invest in our town. Neither stifling growth nor allowing for unrestricted growth is the answer, for both result in growth distortions. Taking a long term view will cause future generations to appreciate our actions, and Depoe Bay will remain the "jewel" of the Oregon Coast."

*** RESPONSIBILITY AND ACCOUNTABILITY**

"City Council must prioritize issues involving public health, safety and welfare for resolution. There is no place for partisan politics in city government. Once elected, a member of the City Council must be willing to represent all of the people of our town."

(This information furnished by Alice I. Brown.)

PETE CAMERON
NONPARTISAN

OCCUPATION:

Retired

OCCUPATIONAL BACKGROUND:

Supervisor 25 years with transit system in Seattle, WA

EDUCATIONAL BACKGROUND:

Business Degree Highline College

PRIOR GOVERNMENTAL EXPERIENCE:

Depoe Bay Traffic Safety Commission

Some people are born with an extra bit of some talent, be it in Math, Science, athletics etc. I believe that an extra intangible God has given me is common sense. It has served me well throughout my life. With that I have adopted a slogan for this election: "Common Sense in City Government."

Depoe Bay may have limited assets, but we can work through this problem by making good common sense decisions. A well-run organization falters when communication breaks down.

Jumping to conclusions, not listening with an attentive ear, and not thinking things through before making decisions do not belong in any part of our city government. I want to see all factions of Depoe Bay's government operate together for a common goal of cooperation, efficiency and effectiveness. I want people to look at Depoe Bay with envy and say, "That is the way a city *should* be run." I want to be a part of making that happen. Please vote for common sense on Depoe Bay's City Council.

I am committed to:

- *Establishing local law enforcement
- *Revitalizing area south of the Bridge
- *Improving safety throughout Depoe Bay
- *Programs for seniors & shut-ins
- *Establishing welcome program for new residents
- *Developing additional uses for city parks
- *Making Depoe Bay pedestrian friendly
- *Re-instilling pride in community
- *Supervised youth activities

Endorsed by:

Alice Brown, Incumbent, Position #1, Depoe Bay City Council
"Depoe Bay will be well served by Pete Cameron's fresh outlook and positive perspective."

G.K. "Bud" Romans, Position #4, Depoe Bay City Council
"Pete will bring new vitality to the Depoe Bay City Council."

Jim White, Mayoral Candidate for the City of Depoe Bay
"Pete's, practical ideals will play a positive role in Depoe Bay's future."

RICK BRISSETTE
NONPARTISAN

OCCUPATION:

Co-owner Little Antique Mall

OCCUPATIONAL BACKGROUND:

Past 12 years building our business from a small retail storefront to the largest, premier antique collectible venue on the Oregon Coast; Killo's, Lincoln City; Purchasing Agent, Inn at Spanish Head, Lincoln City; Brigantine Corporation, San Diego; Manager and Supervisor ITT/Sheraton Hotels, San Diego; Manager, Sea World, Atlantis Division, San Diego.

EDUCATIONAL BACKGROUND:

Graduated Sheldon High School, 1973; attended University of Oregon, Eugene.

PRIOR GOVERNMENTAL EXPERIENCE:

Lincoln City Planning Commission-Vice Chair
Lincoln City Committee for Citizens Involvement

Organizations: Lincoln City Chamber of Commerce; Coastal AIDS Network; Rural Organizing Project

Rick Brissette, native Oregonian, has spent much of his life on the Oregon coast and has been a Lincoln City resident and businessman for most of the past fifteen years.

Rick Brissette, past President of the Lincoln City Chamber of Commerce knows the business climate of Lincoln City and how good governance encourages business success. Rick Brissette believes our community can be a showcase for successful partnerships between government, local business, community organizations and citizens.

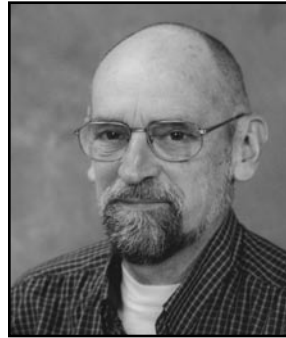

Rick Brissette understands the dominate role of tourism in our local economy and is an advocate for responsible development that broadens our economic base while supporting local businesses. Rick Brissette will continue to work for a living wage economy.

Rick Brissette has a proven track record of fiscal responsibility, administrative management, organizational planning and effective employee relations. As City Councilman Rick Brissette will be accountable, accessible and responsive to the diverse needs of our community.

Rick Brissette's experience on the Lincoln City Planning Commission demonstrates his dedication to protect the environment with responsible development within the Lincoln City Urban Growth Boundary.

Please vote for Rick Brissette for City Council, Ward 1.

(This information furnished by Rick Brissette.)

EDWARD P. KUNTZ
NONPARTISAN

OCCUPATION:

B&B Owner/operator

OCCUPATIONAL BACKGROUND:

Business Owner
Railroad Employee

EDUCATIONAL BACKGROUND:

Diablo Community College
Bakersfield Community College

PRIOR GOVERNMENTAL EXPERIENCE:

President Lincoln City City Council
Chairman Lincoln City Budget Committee
Member Lincoln City Parks & Recreation Board & VCB

As the owner of An Exceptional Place to B&B Inn, LLC., in the Historic Taft District of Lincoln City, Ed Kuntz is dedicated to providing an attractive and friendly area in which to live and work. Ed Kuntz believes city government should operate within budget constraints.

As the City Councilor for Ward 3 Ed Kuntz works to make Lincoln City a city that is attractive to local residents and visitors alike. Working with the residents and businesses in Ward 3 is a priority for Ed Kuntz.

Campaign issues for Ed are:

- A balanced City budget
- Affordable living for local residents
- Logical planned growth and expansion consistent with local values
- Maintaining the small town environment
- Affordable and reliable public services
- Public Safety
- Working for healthy air and water
- Community activities for residents and visitors

Currently Ed Kuntz is involved with the Lincoln City Budget Committee, Lincoln City City Council, BAMA, Lincoln City Chamber of Commerce, Lincoln City Lodging Association, and Lincoln City Visitors and Convention Bureau, OCZMA and CWCOG.

Ed Kuntz has the integrity, common sense, financial background and business acumen to be effective and supportive for Ward 3 residents and businesses on the City Council.

A vote for Ed Kuntz is a vote for financial responsibility, maintaining an affordable area in which to live and work, logical thinking in planning and environmental issues relating to growth, plus progressive and futuristic visions for Lincoln City.

As a resident of Ward 3, Ed Kuntz will be available to discuss and work on issues and concerns with the residents and businesses of Ward 3 and all of Lincoln City.

Vote for Ed Kuntz for City Council Ward 3.

College for Financial Planning – Denver – C.F.P.

PRIOR GOVERNMENTAL EXPERIENCE:

Nye Beach Neighborhood Committee – Chair
Bayfront Committee
South Beach Neighborhood Committee
Highway 101 Committee – Chair
Cell Tower Committee
Nye Beach Design Review Committee – Chair

VOTE FOR JEFF BERTULEIT

As your city councilor I will work to build on the progress the city has made to be an even greater place to live and visit. The Nye Beach and Bayfront areas have benefited by the work others and I have made; yet more needs to be done. Highway 101 and South Beach plans need to be completed along with updated zoning for the city neighborhoods. More work needs to be done to attract higher wage jobs, expand cultural tourism, and cottage industries. As your councilor I will keep key projects on the priority list and see them to their completion.

I support a strong educational system and partnerships with high-tech companies, OSU Marine Science Center, Coast Community College, and the Aquarium. Working with these elements can create diversity and job growth. It can expand our tax base to share ever-increasing city expenses.

I attend numerous committee meetings and I am keenly aware of the needs and the challenges we face in the next few years. South Beach Urban Renewal projects need to be accomplished. Newport's Bicycle and Pedestrian Plans need to be accomplished. Our streets, sidewalks, and facility buildings all need work, and with a strained budget we face tough decisions. I am prepared to work these issues out and develop solutions.

I believe we need to encourage community involvement and utilize those creative talents to benefit Newport's vitality and image. Tourism is an important economic industry for Newport and it is important that there is a distinctive image, sound infrastructure, and livability. I ask for your vote.

OCCUPATIONAL BACKGROUND:

Construction Millwright
Construction Contractor
High School Shop Instructor

EDUCATIONAL BACKGROUND:

Oklahoma State University

PRIOR GOVERNMENTAL EXPERIENCE:

Newport Community Development Department Commissioner
Landlord and Tenant Coalition
Oregon Judicial Department Citizens Review Board Statewide Advisory Council

Through my participation as a CRB Volunteer of the joint Dept. of Human Services/Judicial Dept. Adoptions Task Force and the Citizens Review Board Statewide Advisory Committee to the Oregon Judicial Dept., representing Lincoln County, I have sought to enrich the quality of life for the citizens of Lincoln County by safeguarding healthy thriving children and families while actively pursuing goals that are within reach of provision. Further as a member of the "Partnership Against Alcohol And Drug Abuse" (PAADA) I realize the serious challenges facing NEWPORT regarding METH and the importance of maintaining the LINT team. As a Trustee on the Samaritan Pacific Communities Hospital Foundation Board I understand the complexities surrounding our local Hospital. Also after endeavoring on the idea of a Maritime Museum for close to a decade and serving for the past four years as a member of the Lincoln County Historical Center's Oregon Coast Maritime Museum Steering Committee the project is being accomplished through a competent Community Partnership. For the better part of six years I was a member of the Legislative Council for the Multi-Family Housing Council of Oregon and participated within the Landlord/Tenant Coalition to effectively enact productive legislation in Salem. As a Commissioner on the Newport Community Development Department (Planning Dept.) for the last four years I have learned a continuous updated understanding of the issues and concerns facing the Citizens of Newport and have remained focused on a balanced coordinated solution. In closing if you are in favor of placing an experienced Councilor on the Newport City Council that understands solutions and Consensus Governing and believes in Newport's future cast your Vote for Larry Henson.

PRIOR GOVERNMENTAL EXPERIENCE:

Mayor – City of Toledo 1996 - Present
Lincoln Co. School District Board of Directors
Toledo Local School Committee
Port of Toledo

As the current Mayor of Toledo, I am proud to have served you for the last eight years and I invite your support in electing me to serve you for another two years.

I believe Toledo is going in the right directions. The last few years have seen important improvements in our infrastructure and the rebuild of Main Street is a wonderful example. Upgrades to our sewer treatment plant and water plant are complete and the \$2,100,000 we are receiving from ODOT to make improvements to Business Loop 20 will further increase our capacity for building on our business base. I am proud to be part of the team that secured this funding and I anticipate that this project will spur upgrades to current businesses and foster development of new businesses.

I love this wonderful town and all of its citizens and I am proud to live here. The citizens of Toledo work together as a team and I am proud to be a leader of this team that has seen many recent accomplishments:

- Head start building
- Senior/Disabled Services building
- Police headquarters relocation
- Main Street improvements
- Relocation of City Shops
- New Les Schwab business
- Siting of new US Post Office
- Sale of "all" Industrial Park land
- Pending Park & Ride facility
- Beautification efforts and flower baskets
- Year round community events
- Centennial History Center and upcoming celebration
- Grant for Skate Park

I ask that you re-elect me to serve you for two more years.

OCCUPATIONAL BACKGROUND: Electrical Designer (Utah Power/Pacificorp)

EDUCATIONAL BACKGROUND: Electrical Engineering (University of Utah); Computer Science (Salt Lake Community College)

PRIOR GOVERNMENTAL EXPERIENCE: Current member of Toledo City Council; Bountiful Community Service Council (Bountiful, Utah)

**MISTY LAMBRECHT: COMMITTED, DETERMINED,
RESPONSIBLE**

I am **Committed** to building a stable, productive future for Toledo and it's residents. Though effective, democratic leadership and the promotion of community based solutions to long existing budget problems. With your help I will provide a more focused approach toward economic development, which is indeed the cornerstone to our future. My commitment is real... the need is real. Help me to help you put your trust back in Local Government.

I am **Determined** to restore fiscal responsibility to our Local Government. I am determined to remove the obstacles that hinder strong business and economic growth in our city. I am determined to see our city prosper as a result of the Highway 20 improvement project, which will enable us to become the Gateway to the Coast. My voice as Mayor will be your voice, public voice. A voice that will speak for all citizens... not just my supporters.

It is time for your City Leaders and Local Government to be **Responsible**. Responsible for its actions, responsible with your tax dollars and responsible enough to admit when old practices are no longer functional, even failing our needs. Toledo stands poised to enter into a new beginning, and important decisions need to be made that will ensure responsible growth, and I am prepared to be your voice. Help me make Toledo the community it deserve to be, let me be your choice for Mayor, the responsible choice.

**MISTY LAMBRECHT: COMMITTED, DETERMINED,
RESPONSIBLE**

CITY OF TOLEDO

City Council

RODNEY CROSS

NONPARTISAN

OCCUPATION:

Homemaker to my wife and five sons

OCCUPATIONAL BACKGROUND:

Football and Wrestling Coach;
Sports Official and Supervisor - OSU;
Signal Intelligence Analyst, U.S. Army

EDUCATIONAL BACKGROUND:

OSU (4 years);
SWOCC;
U.S. Army Signal intelligence School, Graduated with Honors;
Central Linn H.S. (Diploma)

PRIOR GOVERNMENTAL EXPERIENCE:

Toledo City Council, 99 - present;
Toledo Planning Commission, 96 - 99;
President, Active Bethel Citizens, 93 - 95

I have been honored to serve you, the citizens of Toledo, for the last five and a half years. We have accomplished many worthy goals and projects in that time. The City of Toledo continues to have 24-hour Police coverage, Main Street is completed, and most of the Toledo Industrial Park property is back on the tax rolls, generating needed jobs in the community.

The City's Promotional Advertising Fund has been instrumental in the growth of family-friendly activities and festivals. Our Contributions Budget (funded by a portion of our cigarette and alcohol tax revenues) continues to aid our citizens directly through local agencies such as Senior Meals and Ollala Center.

I believe the City of Toledo still has many challenges to face as we move into its second century. We need to find a way to fully fund our Library and Parks to the level that our citizens desire. We need to pass our bond measure so that our citizens have a safe and effective Fire Station for decades to come. The transfer of Bus. Hwy. 20 and associated improvements will occupy us for at least the next year. We must work tirelessly to continue to make Toledo business-and family-friendly.

Toledo is a wonderful place to live, work and play. As the father of five young sons, I want Toledo to be not only a great place to grow up, but a comfortable place to grow old. This can happen, but not without your insight, input and help. Together, we can keep Toledo moving in the right direction into its second century!

Appointed then elected to Waldport City Council
Appointed to Waldport Planning Commission
Appointed to Waldport Economic Development Committee, (Chair);
Lincoln County Economic Development Alliance; Lincoln County Solid Waste
Advisory Committee; Chair of both Waldport's Parks Committee & Finance & Admin Committee

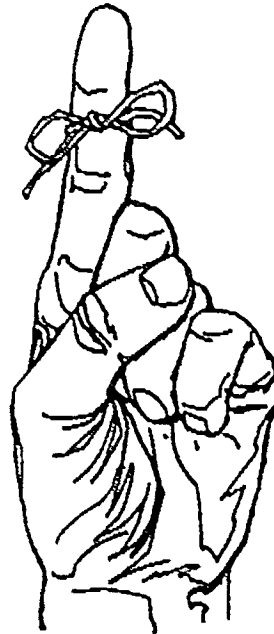

Waldport's a great place! Its breathtakingly beautiful setting is just one of many factors that brought me here some years ago and continues to attract visitors and new residents alike. I am very grateful to live here and for the opportunity you've given me to serve you this past four years.

During that time, many things have been accomplished:

- Waldport Council has become a smooth-working team.
- We've obtained large construction grants for Downtown Revitalization, beginning next summer.
- We've continued repair, maintenance and upgrades of water, sewer, sidewalks and roadway infrastructure, often using grant funding.
- We contributed to the skatepark development, improved Keady Wayside and Meridian Park, and revised the Parks Master Plan for further development of Crestline Park and more recreational opportunities for all.
- We've improved efficiencies and quality of city operations and services, while maintaining fiscal soundness.
- In these times of decreasing revenues, we actively seek partnerships and cooperation with the Port, Chamber, Yachats, School District and other groups to reduce duplication and costs while increasing services and benefits.

Thanks again for the opportunity to serve our great community! If reelected, I will continue working diligently and cooperatively to keep our city running efficiently, representing your needs and desires, and seeing these important ongoing projects completed.

City of Waldport, Council
Central Lincoln PUD, Director

I have been proud to serve as your representative on the Waldport City Council for the past three years.

Waldport is experiencing an unprecedented period of strength and stability. Infrastructure such as roads, sewer and water systems are being maintained to excellent standards. Financially, the city has not experienced the dramatic shortfall many cities have suffered through. And the view for the future, including the new design for the downtown and the improvements to the sewer system for the growing south side of town, is clearly in focus. The citizens of Waldport are extremely fortunate to have representatives that work hard and work together. The council's work is shared with a city staff that brings a high level of professionalism to the management and operation of the city.

As we move forward, I hope that you will continue to place your trust in the representation that you have put in place. I appreciate your vote.

Growth without a vision of the future impact is shortsighted. While individuals need not always have the same vision, planning for the future is critical to managing economic and population growth responsibly for the community of Waldport. The desire to grow must be tempered by the evaluation of the cost of the resources required and the impact on the citizens of our community. When new structures, parks or improvements are approved, the city council must recognize and allocate resources for the upkeep and management of these amenities. Local businesses, volunteer efforts and community events should be encouraged. We must seek to balance the needs of all segments of the community.

I believe in honesty, responsibility, and commitment in both private and public lives. Waldport is not a stepping stone but the community in which I live and value. I support a safe community through a responsive law enforcement presence and am committed to establishing communication between the citizens of Waldport and the city council.

OCCUPATION: Retired

OCCUPATIONAL BACKGROUND: Public School Teacher, Colorado; Real Estate Appraiser, Colorado

EDUCATIONAL BACKGROUND: University of Missouri, BS in Secondary Education (English major/Speech minor)

PRIOR GOVERNMENTAL EXPERIENCE: Elected to Yachats City Council; currently serving second term

As Mayor, I will continue open communication and active listening to issues. My vision for Yachats is that it retain a village "flavor" while being a tourist destination. Residents and visitors alike value many of the same qualities that Yachats offers: The beach, the hills, walking trails, etc. I will continue:

- to pursue completion of the Village Circulation Plan in order to maintain our "walker friendly" atmosphere;
- to address public safety with pursuit of grant opportunities and a Volunteer Presence;
- to support the Commons as the "heart" of the community;
- to encourage the continuation of the Yachats Youth and Family Activities Program;
- to foster an open working relationship with ODOT concerning traffic issues resulting from our Main Street being a US Highway;
- to encourage citizens in the South County to work together toward ensuring quality livability for the entire area;
- to monitor our water system and be assured that the quality and sufficiency remain constant;
- to continue our working relationship with DEQ as we update and improve our waste water treatment system;
- to work with State Parks on issues of mutual concern such as Parks and bluffs.

I have the time and energy for this commitment, as well as a deep love for this community.

City of Yachats - planning commission - seat C
Restaurant owner/operator

OCCUPATIONAL BACKGROUND:

automotive customer consultant and service manager
automotive master technician

EDUCATIONAL BACKGROUND:

Chemeketa community college - GED
National Broadcasting School - television/video production
General motors training center - multiple management, automotive courses
Oregon City High School -journalism, typing

PRIOR GOVERNMENTAL EXPERIENCE:

Clackamas county - mechanic
City of Yachats - planning commission - seat C

The village we display to our guests is a direct reflection of the benevolence and prudence we invest in our decision process through our elected servants. Visitors journey back, year after year for our magic created by an eclectic weave of villagers with the greatest surprise being no big surprises. Our most important assets in alliance with our dreams is the ability to be courteous and show grace as humans by reaching compromises with protective goals that respect the rights of both our stable long term residents and valuable new arrivals equally. Change is not always a glamorous achievement and to allow a "wrecking yard" of sprawl across our neighborhoods and mountain backdrop is an abandonment of prudence. The prevention of over-zealous and short-sighted non-community oriented decisions is everyones task and I urge all citizens to be a part of this protective process.

I view our village with a free spirited and progressive understanding of the diversity of our citizens and am dedicated to channeling the culmination of our consolidated vision to question those without the awareness of the future. Let us gather those with thoughtful foresight to bring new dreams to town--art, food, music and cultural festivals--the oil of our society. The future is always, the present is the reality of dreams, it's where we love to live, our magic little village of wonder by the sea.

(This information furnished by Rachel G. Vanderthorne.)

OCCUPATION: Retired.

OCCUPATIONAL BACKGROUND: Medical and University Library administration - retired.

EDUCATIONAL BACKGROUND: MLS, University of Washington; BS, Washington State Univ.

PRIOR GOVERNMENTAL EXPERIENCE:

Yachats Planning Commission;
Yachats City Council

I enjoy working with Yachats residents and look forward to continued service on the City Council. Together we can update our vision of the future for our village and complete the tasks we set ourselves.

We have the resources we need (a balanced budget and a strong volunteer base) to maintain our village spirit and strengthen our infrastructure. With a clear vision, we can set priorities, solve problems, and resolve differences as they arise.

31 AMENDS CONSTITUTION: AUTHORIZES LAW PERMITTING POSTPONEMENT OF ELECTION FOR PARTICULAR PUBLIC OFFICE WHEN NOMINEE FOR OFFICE DIES

Result of "Yes" Vote: "Yes" vote amends constitution to authorize law providing that an election for a particular public office may be postponed when nominee for that office dies..

Result of "No" Vote: "No" vote retains existing law, which contains no provision permitting postponement of an election for a particular public office when nominee for that office dies.

Summary: Amends constitution. Under current law, there is generally no limit on jury's award of noneconomic damages to patient, patient's legal representative, or patient's spouse for injury caused by healthcare provider. Measure limits recovery of noneconomic damages for negligent or reckless injury caused by an Oregon licensed healthcare provider or healthcare entity to \$500,000. Defines noneconomic damages to include pain; mental suffering; emotional distress; loss of society, companionship, services; loss of sexual relations; inconvenience; interference with normal and usual activities apart from employment. Specifies formula to adjust for inflation annually. Limitation applies regardless of extent of injuries, number of people entitled to damages, or number of defendants sued. Does not apply to wrongful death claims. Applies to suits filed after January 1, 2005. Other provisions.

Estimate of Financial Impact: There is no financial effect on state or local government expenditures or revenues.

32 AMENDS CONSTITUTION: DELETES REFERENCE TO MOBILE HOMES FROM PROVISION DEALING WITH TAXES AND FEES ON MOTOR VEHICLES.

Result of "Yes" Vote: "Yes" vote allows taxes and fees on mobile homes to be used for nonhighway purposes.

Result of "No"Vote: "No" vote retains restriction on use of taxes and fees on mobile homes.

Summary: This measure authorizes expenditure of taxes and fees on mobile homes for nonhighway purposes. Under current law, taxes and fees on mobile homes are required to be spent for highway or administrative purposes, but may also be used for park purposes.

Estimate of Financial Impact: There is no financial effect on state or local government expenditures or revenues.

**OFFICIAL GENERAL ELECTION BALLOT
LINCOLN COUNTY, OREGON • NOVEMBER 2, 2004**

State Measures (Continued)	State Measures (Continued)	State Measures (Continued)
<p><i>proposed by initiative petition</i></p> <p>33 AMENDS MEDICAL MARIJUANA ACT: REQUIRES MARIJUANA DISPENSARIES FOR SUPPLYING PATIENTS/CAREGIVERS; RAISES PATIENTS' POSSESSION LIMIT</p> <p>Result of "Yes" Vote: "Yes" vote amends Medical Marijuana Act: Requires creating marijuana dispensaries to supply patients/caregivers; allows dispensary/care-giver sales to patients; increases amount patients may possess.</p> <p>Result of "No" Vote: "No" vote retains current Oregon Medical Marijuana Act, which allows registered patients to possess limited amounts of marijuana for medical purposes, and prohibits marijuana sales.</p> <p>Summary: Oregon Medical Marijuana Act currently allows registered patients to possess/deliver/produce limited amounts of marijuana for medical purposes. Current law prohibits all marijuana sales, including sales to patients. Measure creates licensing program for nonprofit, regulated medical marijuana dispensaries, which may supply six pounds marijuana yearly per patient. Permits dispensaries to sell marijuana to registered patients/caregivers; percentage of proceeds funds program. Requires dispensaries to provide indigent patients marijuana. Requires county health departments in counties without licensed dispensaries to become dispensaries and supply marijuana to registered patients. Allows designated caregivers to sell marijuana to their registered patients. Increases marijuana registered patients may possess to ten mature plants, any number seedlings, one pound usable marijuana (six pounds if patient grows only one crop yearly). Other provisions.</p> <p>Estimate of Financial Impact: The measure would require state expenditures of \$340,000 to \$560,000 per year on a recurring basis, with additional one-time start-up costs of \$135,000. All but \$75,000 of these costs may be offset by fees to be established by the Department of Human Services as provided in the measure. The financial effect on local government revenues and expenditures cannot be determined.</p>	<p>34 REQUIRES BALANCING TIMBER PRODUCTION, RESOURCE CONSERVATION/PRESERVATION IN MANAGING STATE FORESTS; SPECIFICALLY ADDRESSES TWO FORESTS</p> <p>Result of "Yes" Vote: "Yes" vote requires managing state forests balancing, as equally beneficial, conservation/preservation and timber production; manages Tillamook, Clatsop forests half for restoration, half for production.</p> <p>Result of "No" Vote: "No" vote retains current law allowing mixed use state forest management; rejects: requiring management that values conservation and production equally, separately managing Tillamook, Clatsop Forests.</p> <p>Summary: Current law directs that Board of Forestry manage all state forests to maximize "permanent value" (defined by board) through mixed use, including timber sales, mining, protecting, conserving, utilizing forests. Measure requires management defining "permanent value" as balancing sustainable timber production with water, wildlife, watershed protection, recreation, forest restoration, considering resource conservation equally beneficial to timber production. Manages Tillamook, Clatsop Forests half for forest restoration, prioritizing drinking water, habitat, fish protection; half for sustainable timber production, with restoration management steps recommended by restoration science team. Addresses using timber revenues for common School Fund, forest restoration management (board providing additional funding as needed); continues current local school funding levels. Measure declares it replaces any other management plan for Clatsop, Tillamook Forests adopted in 2004 election. Other provisions.</p> <p>Estimate of Financial Impact: With respect to the Tillamook and Clatsop State Forests: The measure is estimated to increase state expenditures by \$1.5 million to \$6.3 million per year; The measure is estimated to decrease state revenue by \$4.2 million to \$10.3 million per year; The measure is estimated to require approximately \$2 million of one-time state expenditures; The measure is estimated to decrease revenues for local governments by \$17.2 million to \$19.4 million per year; and</p>	<p>35 AMENDS CONSTITUTION: LIMITS NONECONOMIC DAMAGES (DEFINED) RECOVERABLE FOR PATIENT INJURIES CAUSED BY HEALTHCARE PROVIDER'S NEGLIGENCE OR RECKLESSNESS</p> <p>Result of "Yes" Vote: "Yes" vote limits recovery of noneconomic damages (defined) for negligent or reckless injury to patient by healthcare provider to \$500,000 (adjusted annually for inflation).</p> <p>Result of "No" Vote: "No" vote retains current law, which places no limit on jury award of noneconomic damages (defined) for injury caused by negligence, recklessness of healthcare provider.</p> <p>Summary: Amends constitution. Under current law, there is generally no limit on jury's award of noneconomic damages to patient, patient's legal representative, or patient's spouse for injury caused by healthcare provider. Measure limits recovery of noneconomic damages for negligent or reckless injury caused by an Oregon licensed healthcare provider or healthcare entity to \$500,000. Defines noneconomic damages to include pain; mental suffering; emotional distress; loss of society, companionship, services; loss of sexual relations; inconvenience; interference with normal and usual activities apart from employment. Specifies formula to adjust for inflation annually. Limitation applies regardless of extent of injuries, number of people entitled to damages, or number of defendants sued. Does not apply to wrongful death claims. Applies to suits filed after January 1, 2005. Other provisions.</p> <p>Estimate of Financial Impact: There is no financial effect on state or local government expenditures or revenues.</p>

**OFFICIAL GENERAL ELECTION BALLOT
LINCOLN COUNTY, OREGON • NOVEMBER 2, 2004**

State Measures (Continued)

36 AMENDS CONSTITUTION: ONLY MARRIAGE BETWEEN ONE MAN AND ONE WOMAN IS VALID OR LEGALLY RECOGNIZED AS MARRIAGE

Result of "Yes" Vote: "Yes" vote adds to Oregon constitution declaration of policy that only marriage between one man and one woman is valid or legally recognized as marriage.

Result of "No" Vote: "No" vote retains existing constitution without a provision declaring that only marriage between one man and one woman is valid or legally recognized as marriage.

Summary: Amends constitution. Oregon statutes currently provide that marriage is a civil contract entered into in person between individuals of the opposite sex, that is, between males and females at least 17 years of age who solemnize the marriage by declaring "they take each other to be husband and wife." The existing Oregon Constitution contains no provision governing marriage. Currently, the State of Oregon recognizes out-of-state marriages that are valid in the state where performed, unless the marriage violates a strong public policy of Oregon. Measure adds to Oregon Constitution a declaration that the policy of the State of Oregon and its political subdivisions is that "only a marriage between one man and one woman shall be valid or legally recognized as a marriage."

Estimate of Financial Impact: There is no financial effect on state or local government expenditures or revenues.

State Measures (Continued)

37 GOVERNMENTS MUST PAY OWNERS, OR FORGO ENFORCEMENT, WHEN CERTAIN LAND USE RESTRICTIONS REDUCE PROPERTY VALUE

Result of "Yes" Vote: "Yes" vote requires that governments pay owners, or forgo enforcement by repealing, changing, not applying restrictions, when certain land use restrictions reduce owners' property value.

Result of "No" Vote: "No" vote rejects requiring that governments pay owners or forgo enforcement by repealing, changing, not applying restrictions, when certain land use restrictions reduce property value.

Summary: Currently, Oregon Constitution requires government(s) to pay owner "just compensation" when condemning private property or taking it by other action, including laws precluding all substantial beneficial or economically viable use. Measure enacts statute requiring that when state, city, county, metropolitan service district enacts or enforces land use regulation that restricts use of private real property or interest thereon, government must pay owner reduction in fair market value of affected property interest, or forgo enforcement. Governments may repeal, change, or not apply restrictions in lieu of payment; if compensation not timely paid, owner not subject to restrictions. Applies to restrictions enacted after "family member" (defined) acquired property. Creates civil right of action including attorney fees. Provides no new revenue source for payments. Certain exceptions. Other provisions.

Estimate of Financial Impact:

The measure would require state administrative expenditures to respond to claims for compensation of between \$18 million and \$44 million per year.

The measure may require compensation to landowners. The amount of state expenditures needed to pay claims for compensation cannot be determined.

There is no financial effect on state revenues.

The measure would require local government administrative expenditures to respond to claims for compensation of between \$46 million and \$300 million per year.

The measure may require compensation to landowners. The amount of local government expenditures needed to pay claims for compensation cannot be determined.

The effect of the measure on local government revenues cannot be determined.

State Measures (Continued)

38 ABOLISHES SAIF; STATE MUST REINSURE, SATISFY SAIF'S OBLIGATIONS; DEDICATES PROCEEDS, POTENTIAL SURPLUS TO PUBLIC PURPOSES

Result of "Yes" Vote: "Yes" vote abolishes SAIF; state must reinsure, satisfy SAIF's current obligations (including pending policyholder claims against SAIF); dedicates proceeds, potential surplus to specified public purposes.

Result of "No" Vote: "No" vote retains law authorizing SAIF, a public corporation, to sell and administer workers compensation insurance and to administer an accident fund for that purpose.

Summary: State Accident Insurance Fund (SAIF) is a public corporation selling, administering workers compensation insurance, and administering accident fund for that purpose. Measure abolishes SAIF. Requires state to assume SAIF's authority over accident fund; reinsure fund; satisfy SAIF's obligations under its existing policies; use fifty percent of any excess surplus (meaning any funds exceeding reserves and surplus necessary to satisfy future liabilities) to satisfy policyholder claims in litigation before October 2003; transfer forty percent of any excess surplus to new fund; sell SAIF's assets; transfer proceeds to same fund; and reinsure, otherwise resolve SAIF's remaining liabilities. Dedicates new fund to supporting schools, local law enforcement; providing medications to seniors, medically needy; promoting job growth. Requires certain reports to legislature regarding rates for insurance premiums. Other provisions.

Estimate of Financial Impact:

The measure would reduce state revenue by approximately \$405 million per year and would reduce state expenditures by approximately \$301 million per year due to the elimination of SAIF.

The measure would require additional state government expenditures of \$1.8 million to \$5.5 million per year on a recurring basis with an additional one-time expenditure of \$2.2 billion to \$2.4 billion.

There will be a one time increase of state revenues of \$32.6 million from sale of real property.

The measure would require local government expenditures of \$2.6 million to \$10.5 million per year on a recurring basis.

There is no financial effect on local government revenues.

**OFFICIAL GENERAL ELECTION BALLOT
LINCOLN COUNTY, OREGON • NOVEMBER 2, 2004**

Lincoln County Library District

21-97 Local Option Tax for Library Funding

Question: Shall Lincoln County Library District levy 9¢ per \$1000 assessed value for five years, beginning 2005-2006, to fund your library?

Summary: Approval of this measure will provide funding for libraries in Lincoln City, Newport, Siletz, Toledo and Waldport.

It is estimated that this measure would raise approximately \$241,885 in tax revenues for 2005-2006, \$247,932 in tax revenues for 2006-2007, \$254,130 in tax revenues for 2007-2008, \$260,483 in tax revenues for 2008-2009, and \$266,995 in tax revenues for 2009-2010.

City of Depoe Bay

21-100 Local Option Tax Levy

Question: Shall the City be authorized to levy a local option tax of 35¢/\$1,000 valuation for five years commencing in 2005-2006?

This measure may cause property taxes to increase more than three percent.

Summary: This measure authorizes the City to levy a property tax at a rate of 35¢ per thousand dollars assessed valuation each year commencing the fiscal year beginning July 1, 2005 for five consecutive years. The City estimates that this measure would raise approximately \$97,678 in tax revenues in 2005-2006, \$102,562 in 2006-2007, \$107,687 in 2007-2008, \$113,072 in 2008-2009 and \$118,725 in 2009-2010.

The taxes would be used, in conjunction with dedicated transient room tax revenues, to finance the City Public Safety and Law Enforcement Program including a contract with the Lincoln County Sheriff's Department for the services of one deputy sheriff, an office with furnishings and office equipment, administrative support and to pay related costs.

City of Lincoln City

21-99 Bonds to Improve and Expand Lincoln City's Sanitary Sewer System

Question: To improve and expand sewage treatment plant and collection system, shall Lincoln City issue \$22 million in general obligation bonds? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: To protect the environment, meet Federal and State requirements, and have sufficient capacity, the City must:

- Upgrade the 20-year old sewage treatment plant;
- Upgrade the plant's aeration basins to stop sewage leaks;
- Upgrade the system's pump stations to eliminate sewage overflows;
- Make other improvements.

The estimated cost is \$22 million.

This measure approves up to \$22 million in general obligation bonds to pay for design and construction of these improvements and related studies and planning. Covered projects are listed in the 2004 Wastewater Facilities Plan, which may be revised periodically. The bonds will mature in up to 30 years. The average estimated bond cost, if only property taxes are used to pay off the bonds, is \$1.75 per \$1,000 of assessed value per year, based on a 25-year term. However, the City plans to use other funds to help pay the bonds, such as money received from developers and sewer ratepayers. The actual property tax cost for the bonds therefore should be less, averaging 85 cents per \$1,000 of assessed value per year.

City of Toledo

21-101 City of Toledo General Obligation Bonds for Fire Station

Question: Shall the City of Toledo issue \$2.1 million of general obligation bonds to provide a new fire station? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: The present fire hall was constructed in 1979; it has developed severe structural problems. There is a slide area that affects the fire station site and has caused structural damage to the building. At least three geotechnical engineers have investigated the site in the past ten years without a definitive, cost-effective solution. The last investigation, completed in 2000, recommended that for safety reasons the building no longer be occupied. The City Council is submitting this measure to the voters to allow the city to build and equip a new fire station on a different site.

A City Council subcommittee, staff and architects have worked to propose a new structure which is approximately the same size as the existing facility. The architect's cost estimate is \$2,100,000.

You are being asked to approve a general obligation bond to pay for the new fire station. The bond cost at today's rates is estimated for a property assessed at \$100,000 to be about \$60 per year for twenty years.

City of Yachats

21-98 Approval of City of Yachats City Charter

Question: Shall the voters of the City of Yachats approve a revised city charter?

Summary: The current Yachats Charter has become outdated since the incorporation of the City of Yachats in 1967, and therefore the City Council of Yachats desires to update the city charter for the city. A charter review committee reviewed the existing charter and has recommended submitting to the voters a revised charter. The committee agreed that the proposed revision of the charter should be based on the League of Oregon Cities' Model Charter for Oregon cities. This is an updated version of previous models with footnotes and appendixes to back up and give analysis of various sections. In this revised edition certain topics have been eliminated because the state has preempted the City's authority. In addition, the language has been made gender neutral. However the committee made some amendments, additions or deletions to the model language to reflect provisions in the existing Yachats Charter in either the same wording or as modified by the committee. This new charter, if adopted by the voters at this November General Election, will go into effect on February 1, 2005.

BALLOT DROP SITE LOCATIONS

You may mail in your ballot or deposit it at any of the drop sites listed below. Drop sites listed below with a star (★) next to their name will have a privacy booth available. You may take your vote-by-mail ballot with you to the drop site and vote on it in the privacy booth and then deposit it in the ballot box located there if you wish.
