Grant of Right of Entry: By signing below the property Owner, Owner's authorized agent and tenant, if any, collectively ("Owner"), hereby unconditionally authorizes the **Assistance Providers** (*Lincoln County, the State of Oregon, tribal governments, the United States of America including the Federal Emergency Management Agency (FEMA), and participating Voluntary Organizations Active in Disaster (VOAD) and their respective assigns, officers, employees, agents, volunteers, contractors and representatives*) to have the right of access and to enter in and onto the property, and all related appurtenances thereto described below for the purpose of performing work described below in "Scope of Work" at no expense to Owner which may threaten public health or safety, or public or private property, and to ensure economic recovery. It is fully understood that this Right-of-Entry Permit (ROE) does not create any obligation on the part of the Assistance Providers to perform inspections, remove debris, and undertake emergency protective measures to the Property. Owner understands that no work will be performed until this ROE is completed in full. If Owner is a landlord, Owner agrees that Assistance Providers will be acting as landlord's agent for all purposes.

Time Period: The ROE shall expire the earlier of either: when the debris removal work is complete; or, 2 years after this form is signed; unless it is cancelled sooner than that according to the terms herein. The Assistance Providers – Indemnification- Hold Harmless provisions, once signed, survive the termination of the ROE.

Scope of Work and Disclosures: Removal or clearing of wildfire generated hazardous substances, debris or wreckage and/or inspections necessary to assess damage and scope necessary to complete the aforementioned work. By signing this ROE, Owner acknowledges that none, some, or all of the aforementioned work may be performed pursuant to this ROE and FEMA policy. Owner understands and accepts that the entity performing debris removal on behalf of the Assistance Providers will determine on a case-by-case basis what materials qualify as "debris" to be removed from the site pursuant to the removal program and that fireplaces, chimneys, structural foundations and trees deemed hazardous to work crews may also be removed pursuant to this Permit and that the work may involve the use of raw or unfinished materials to provide only emergency protective measures necessary.

RIGHT OF ENTRY PERMIT – ALL WILDFIRE DEBRIS

Assistance Providers – Indemnification- Hold Harmless: The Owner acknowledges that the Assistance Providers' decisions on whether, when, where, and how to provide disaster relief to Owner's property are discretionary functions. Additionally, the Owner hereby agrees to indemnify, defend and hold harmless the Assistance Providers against any and all claims, deductibles, self-insured retentions, demands, liability, judgments, awards, fines, mechanics' liens or other liens, labor disputes, losses, damages, expenses, personal injury, death, and charges or costs of any kind or character, including attorneys' fees and court costs (hereinafter, collectively referred to as "Claims"), as well as any and all actions, either legal or equitable, which the Owner has, or that might arise, of any nature whatsoever and by whomever made, or may have, by reason of or incident to any decision or action of aforesaid Assistance Providers taken or not taken in connection with entry onto the Property or to accomplish the aforementioned work.

Duty to Apply for Insurance Benefits: I understand that Federal law (42 U.S.C. § 5155) requires me to reimburse the Assistance Providers for the cost of the work conducted under the Scope of Work, to the extent it is covered by any other funding source including FEMA, Small Business Administration, private insurance, or any other public assistance program. At the sole discretion of the Assistance Providers, Owner shall either:

- (a) Make a claim against any applicable funding source, including insurance policies related to the work performed by the Assistance Providers under this ROE and reimburse the Assistance Providers within thirty (30) calendar days of receipt of any such insurance proceeds or other funding source; or
- (b) Assign to one or more of the Assistance Providers the right to make a claim against any applicable insurance policy and the right directly to receive payment for that claim. Owner shall provide notice of this assignment to all applicable insurers.

Release of Insurance Policy and Claim Information: If applicable, Owner acknowledges that an insurance claim has been, or will be, presented to Owner's insurance company as a result of the declared emergency for the losses and damages occurring at the property listed above. The Owner authorizes the insurance carrier to provide policy and claim information to the Assistance Providers, or assigns, relating to the coverage of debris removal services for the declared September 2020 wildfires emergency only.

Authority to Sign: Owner represents and warrants that Owner has full power and authority to execute and fully perform Owner's obligations under this ROE. If Owner is an entity, Owner also represents and warrants that Owner has such power and authority pursuant to its governing instruments, without the need for any further action, and that the person(s) executing this ROE on behalf of Owner are the duly designated agents of Owner and are authorized to do so. Owner expressly represents and warrants that fee title to the Premises is vested solely in Owner.

Property Access: This ROE includes the right of ingress and egress on other lands of the Owner not described below, provided such ingress and egress is necessary and not otherwise conveniently available to the Assistance Providers. All tools, equipment, and other property taken upon or placed upon the property by the Assistance Providers shall remain the property of the Assistance Providers and may be removed by the Assistance Providers at any time within a reasonable period after the expiration of this ROE, if necessary.

Duty of Truthfulness: Owner understands that any individual who fraudulently or willfully misstates any fact in connection with this ROE shall be subject to a fine as provided under 18 U.S.C. § 1001 or imprisoned for not more than five years or both.

Information Sharing: Information is collected to make it possible for the Assistance Providers and their assigns, officers, employees, agents, volunteers, contractors and/or representatives to enter your property, inspect for damage, and/or undertake emergency protective measures.
