PREAMBLE

This Agreement is entered into by the Lincoln County Board of Commissioners, hereinafter referred to as the "Board," and the Lincoln County Sheriff, hereinafter referred to as the "Sheriff," and the Lincoln County Deputies' Association, hereinafter referred to as the "Association." The Board and Sheriff recognize that the Association may affiliate with any person or organization of its choosing for the purpose of contract negotiation and administration.

The purpose of this Agreement is to establish rates of pay, hours of work, fringe benefits, conditions of employment, and an equitable and peaceful procedure for the resolution of disputes.

It is understood and agreed that there is a division of responsibility between the Board and the Sheriff in the operation of the Lincoln County Sheriff's office as set forth in ORS Chapters 204 and 206. Based on the above division, it is further understood that compliance with the terms of this Agreement is either the responsibility of the Board, Sheriff, or both parties, depending on the specific terms of the Agreement.

ARTICLE 1 – RECOGNITION

Section 1

The Board and Sheriff recognize the Lincoln County Deputies Association as the exclusive bargaining representative for the bargaining unit. The bargaining unit consists of all regular deputies and employees of the Sheriff who are regularly scheduled to work 20 or more hours per workweek, but excludes "supervisory" and "confidential" personnel and members of the Sheriff's Reserves. "Regularly scheduled to work 20 or more hours per workweek" does not include part-time employees who are occasionally or incidentally scheduled to work more than 20 hours per workweek.

Section 2

All references to employees in this contract include all genders and include deputies as well as other employees.

ARTICLE 2 – MANAGEMENT RIGHTS

It is recognized that an area of responsibility and authority must be reserved to the Board and the Sheriff if County government is to serve the public effectively. Except to the extent expressly abridged by a specific provision of this Agreement, it is recognized that the responsibilities and authority of management are exclusively functions to be exercised by the Board and Sheriff and are not subject to negotiation or the grievance procedure. By way of illustration and not of limitation, the following are listed as such management functions:

1. The determination of the governmental services to be rendered to the citizens of Lincoln County.
2. The determination of the County's financial, budgetary, accounting and organization policies and procedures.
3. The right to establish and administer separate personnel and employment benefit rules and policies for non-bargaining unit personnel. The continuous overseeing of personnel policies, procedures and programs promulgated under any other term of this Agreement.
4. The management and direction of the work force including the right to determine the methods, processes and manner of performing work; the establishment of new positions and the determination of the duties and qualifications to be assigned or required, the right to hire, promote, demote (for just cause), transfer, and retain employees; the right to lay off for lack of work or funds; the right to abolish positions or reorganize the departments or divisions; the right to purchase, dispose and assign equipment or supplies; the right to set standards for appearance, uniforms and equipment; the right to formulate, change or modify departmental rules, regulations and procedures; the right to take all necessary action to carry out its mission on emergencies.
5. To contract or subcontract work as may be determined by the Board and/or Sheriff, provided that as to work which has been previously and regularly performed by employees in the bargaining agreement, the County agrees to bargain the impact of the proposed changes before those changes are implemented. In addition, the County will encourage any contractor or subcontractor to hire County employees who would be laid off due to this contract or subcontract.
6. To use volunteers or reserve deputies in any manner that does not require layoff of existing personnel.

Should the County or the Sheriff decide to change a past practice which is or impacts a mandatory subject of bargaining, before implementing such a change, the County and/or the Sheriff shall give a copy of its proposed new rule or policy to the Association and if the Association responds within fourteen (14) calendar days after receipt of such a change and requests bargaining, the County and the Sheriff agree to bargain the decision and/or the impact of the decision with the Association.

ARTICLE 3 – ASSOCIATION RIGHTS

Section 1

Association Executive Board: Employees who are designated by LCDA By-Laws as the LCDA Executive Board. The members of the LCDA Executive Board shall be certified in writing to the County by the LCDA.

Section 2

The Executive Board members certified by the LCDA may investigate and process grievances and other labor related matters during working hours, within reasonable limits and without loss of pay, providing it does not conflict with department operations. In order to ensure that there is no conflict with department operations, an absence from duty for the purposes of investigating and processing grievances or other labor related matters must be approved in advance by a supervisor.

The LCDA will exercise care to cooperate with the County to make sure there is no undue disruption to County operations caused by the operation of this section.

Section 3

LCDA Negotiations Team. Employees selected by the LCDA to act as Association representatives for negotiations shall be known as the Association Negotiating Team. The names of employees so designated, up to a total of five (5) employees, shall be certified in writing to the County by the Association.

Section 4

Negotiating Team members may attend negotiation sessions and caucuses held at the same site up to one (1) hour before and during the sessions without loss of pay if held during working hours. Paid time or release time for negotiating sessions or caucuses will include all time in mediation sessions.

Section 5

County facilities may be used for Association activities according to building use policies when such facilities are available.

ARTICLE 4 – SPECIAL CONFERENCES

Special conferences for important matters concerning the interpretation of this Agreement will be arranged between the Lincoln County Deputies Association President and the County or its designated representatives on request of either party. Such meeting shall be arranged in advance, and the agenda matters to be discussed at the meeting shall be presented at the time the conference is requested. Association representatives, not to exceed three (3), shall lose no time or pay for the time spent in such conferences unless attendance at such conferences, in the judgment of the Sheriff, requires the call-back of employment of other employees in order to provide the full coverage of duty assignments.

ARTICLE 5 – BULLETIN BOARDS

At the Association's request, the County agrees to furnish two bulletin boards for use by members of the Association and the Association itself. One bulletin board for patrol and support services, and one bulletin board will be for jail personnel, each of which is to be placed in mutually agreeable locations. The Association will limit its posting of information to such boards. The parties agree that the bulletin boards will be used to promote harmonious employer-employee relations and to keep the members of the Association better informed of its social, charitable and representation activities. The Association, at its option and its expense, may install glass-covered locking bulletin boards.

ARTICLE 6 – DUES DEDUCTION

Section 1

Applications for Association membership shall first come to the Association. The Association will submit membership applications to the County. Association dues will continue to be deducted until the employee rescinds the request in writing. Copies of all such requests for membership cancellation shall be transmitted from the Association to the County.

Section 2

After the County receives the membership application, dues deduction will be made with the next paycheck. The aggregate deductions of all employees together with an itemized statement shall be remitted to the Association no later than the 10th of the month following the month for which the deductions were made subject to conditions beyond control of the County. The itemized listing of Association members shall reflect employee terminations, retirements, leave without pay, and return from leave without pay. Other voluntary payroll deductions may be made by the County, subject to the mutual agreement of the County and the Association.

Section 3

The County agrees to automatically adjust the dues amount for employees whose salaries increase or decrease during the term of this Agreement.

Section 4

The Association will indemnify, defend and hold the County harmless against any claims made or any suit instituted against the County on account of any payroll deduction for the Association. The Association will refund to the County any amount paid to it in error.

ARTICLE 7 – (Removed and Reserved)

ARTICLE 8 – HOURS OF WORK

Section 1

Workweek/Weekday. The standard workweek for full-time employment shall consist of one of the following, subject to the provisions of Section 3 of this Article:

1. Forty (40) hours of work based on five (5) consecutive eight (8) hour workdays;
2. Forty (40) hours of work based on four (4) consecutive ten (10) hour workdays; or
3. For Corrections, cycles of forty-eight (48) hours of work based on four (4) consecutive twelve (12) hour workdays, followed by four (4) consecutive days off and one cycle of three (3) consecutive work days with five (5) consecutive days off; or

For Patrol, a cycle using twelve (12) hour shifts if subsequently agreed to by the Association through a Memorandum of Understanding.

For the twelve (12) hour shifts:

- a. The FLSA 7(k) exemption applies and, effective upon ratification, deputies working twelve (12) hour shifts will be paid straight time for their regularly scheduled work week and overtime for all hours in excess of 84 paid hours during the 14-day 7(k) work period.

Section 2

Lunch Periods and Work Breaks. During each twelve (12) hour shift, personnel shall be scheduled for a paid thirty (30) minute lunch period and three (3) fifteen (15) minute paid rest periods without leaving their duty post.

During each full shift, office personnel, support services specialists, evidence control specialists, correction health office assistants, warrants/transport specialists, pretrial specialists and jail reception personnel shall be scheduled for a one (1) hour nonpaid lunch period and two (2) fifteen (15) minute paid rest periods.

Patrol deputies, animal services deputies nurses, animal care specialists, jail cooks and community service deputies will be allowed up to thirty (30) minutes of on-duty time for lunch at the discretion of the shift supervisor only when the deputy can be contacted and remains readily available to respond to duty if needed. Rest periods for patrol deputies are subject to approval of the shift commander and fifteen (15) minute rest periods shall be provided as close to the middle of each half shift as is practicable. Preparation for reporting for duty shall not be considered as part of the workday. Patrol deputies and corrections deputies shall be fully prepared for duty at the commencement of their shifts, exclusive of obtaining shift information.

Section 3

Alternative Workweeks. In addition to the standard workweek described above, the parties may agree to alternate work schedules. This agreement shall last for such period of time as determined and negotiated by the parties.

Except for emergencies, as determined by the Sheriff, extraditions, and prisoner transportation, work schedules showing the employee's shifts, work days, work location, and hours shall be posted. Changes in an employee's regular work schedule shall be posted ten (10) calendar days prior to the effective date of the change. This section does not limit an employee's ability to attend training where the County did not receive a ten (10) calendar days' notice of the training opportunity and shall not be subject to the posting requirement.

Section 4

Part-Time Employees. Notwithstanding any other provision of this contract, regular part-time employees who are regularly scheduled to work 20 or more hours per workweek: (1) Accrue vacation and sick leave under Articles 12 and 13 proportionate to the amount that would be accrued under regular full-time employment; and (2) Receive health and welfare benefits under Article 16 proportionate to the amount that would be received under regular full-time employment (a part-time employee who opts to receive medical benefits will pay a proportionate premium amount, based on full-time equivalency, which will be paid through payroll deduction, in addition to any insurance co-pay that may be required for the coverage chosen). Proportionate amounts are based on the latest Personnel Action form on file in the Finance Office.

Section 5

Shift exchanges: Two employees within the same job classification may agree to exchange shifts, provided such shift exchanges are approved by a Supervisor. Employees requesting a shift exchange shall complete a request and submit it to a Supervisor. Shift exchanges shall only be authorized on shifts when one (1) employee is already scheduled off. This will allow for staff to have the flexibility of time off on shifts when an employee has previously requested to use accumulated leave.

Shift exchanges must be completed within thirty (30) days of the date of the first exchange. No overtime will be paid as a result of the shift exchange. Furthermore, management will not be expected to mediate or resolve any dispute arising between employees as a result of a shift exchange.

ARTICLE 9 – OVERTIME AND HOLIDAY WORK COMPENSATION

Section 1

Definition. Consistent with the provisions of Article 8 of this Agreement, each employee shall work one of the designated workweeks. Overtime and Holiday work includes:

a. Overtime Work:

1. All work in excess of the regularly scheduled workday as provided in Section 1 of Article 8 of this Agreement and except as provided in Article 8, Section 3.
2. All work in excess of an employee's designated workweek.
3. All Mandatory Basic Certification training time in excess of forty (40) hours in an employee's designated workweek.
4. All work performed on the first shift following a rotation of shifts when the interval between such shift and the proceeding shift is less than eight (8) hours.

b. Holiday Work:

1. All work performed on one of the recognized holidays.

Section 2

Authorization for Overtime Work. The commanding officer or designee in charge of a division or shift is the only individual authorized to approve overtime by subordinates. An employee who performs unauthorized overtime work may be subject to disciplinary action except for circumstances beyond the control of the employee.

Section 3

Call Back and Court Time. When an employee is called by Lincoln County to perform work or to appear in court as a result of work performed as an employee of Lincoln County, such employee shall be paid for a minimum of three (3) hours at the rate of time and one-half when such call-outs occur on off-duty time. For the purpose of this section, there must have been a break of more than one (1) hour between the completion of on-duty time and the time of the call-back or court appearance; otherwise, such time will be subject to contract provision for overtime pay. In addition, employees recalled less than three (3) hours prior to the start of their regular shift shall be paid only for actual hours worked and shall continue to work through the regular shift.

- a. This provision shall also apply to work performed previously for another law enforcement agency within one hundred (100) miles of Lincoln County, and for a maximum overtime liability of eight (8) hours per month.
- b. The provisions of this section shall also apply when an employee is specifically told to be

ready for the possibility of callback or overtime work during their off-duty hours, and are restricted in any manner in their freedom of movement or action during this time.

Section 4

Overtime Work and Holiday Compensation. Compensation for authorized overtime work shall be cash compensation at the rate of time and one-half. The hourly rate to be used in computing cash compensation for overtime work shall be based on the employee's regular rate plus any incentive increment the employee is receiving. Employees shall have the option, however, to accumulate up to a maximum of one hundred and twenty (120) hours per fiscal year of compensatory time off in lieu of cash. Such compensatory time is to be taken at times mutually convenient to the employee and the Sheriff. Compensation time in excess of one hundred and twenty (120) hours shall be paid in cash and shall be included in the payment check for the month following the month in which it was worked. Unused compensation time will be paid in cash at the time of the second paycheck in November of each year. However, forty (40) hours of compensation time may be carried over from year to year. Compensation time may not be used within the same pay period in which it was earned.

Section 5

Overtime Distribution. Overtime work shall be distributed as equitably as practical among all employees within the same job classification. The Sheriff will have the final authority in assigning overtime work.

ARTICLE 10 – HIGHER CLASSIFICATION WORK

Section 1

Any employee assigned to perform the duties of a position in a higher classification other than the employee's regular classification shall be paid at the rate calculated under Article 15, Section 2(c)(6) for promotions after fifteen (15) calendar days in such assignment. The employee shall be paid for the remainder of the assignment retroactive to the beginning of the assignment.

Section 2

Any employee who is designated a temporary supervisor as provided for above shall remain a member of the bargaining unit as defined, except that the employee shall assume all the duties and be subject to the working conditions of other supervisors of similar rank for the duration of the appointment. Such temporary supervisory appointments are offered by the department on a volunteer basis.

Section 3

Any employee designated to act in the capacity of a field training officer (FTO) will receive a two and one-half percent (2.5%) pay increase for the time period they are so designated.

Section 4

Any employee designated to act in the capacity of a Canine Deputy will receive a five percent (5%) pay increase for the time period they are so designated.

ARTICLE 11 – HOLIDAYS

Section 1

In addition to regular pay for the time worked on a legal holiday, an employee shall receive premium compensation at time and one-half as provided in Article 9, Section 4.

Section 2

Should an employee be on authorized paid leave when a holiday occurs, that holiday shall not be charged against the employee's leave credit.

Section 3

If a holiday falls on a regularly scheduled day off, the employee will receive one (1) day additional cash compensation for such holiday at the employee's straight time rate or one (1) day's vacation accruals, at the employee's option.

Section 4

The following days shall be recognized as paid holidays:

| | |
|-----------------------------------|------------------|
| New Year's Day | Independence Day |
| Martin Luther King Jr.'s Birthday | Labor Day |
| President's Day | Veteran's Day |
| Memorial Day | Thanksgiving Day |
| Juneteenth | Christmas Day |

And any day appointed by the President of the United States and confirmed by the Governor of the State of Oregon and any day appointed by the Governor.

For the purposes of this Article, the above listed holidays shall be observed on the dates designated by the County.

Section 5

Notwithstanding the above, for those employees assigned to twenty-four (24) hour operations, holidays shall be observed on their calendar/recognized day.

ARTICLE 12 – VACATION LEAVE

Section 1

Following completion of six (6) calendar months of continuous service, full-time employees shall be credited with sixty (60) hours of vacation leave. Thereafter, vacation shall be credited on the following basis:

| Number of years of Continuous Service | Number of Vacation Hours Earned per pay period |
|---------------------------------------|--|
| 1 through 5 | 4.62 hours |
| 6 through 10 | 5.54 hours |
| 11 through 15 | 6.47 hours |
| 16 through 20 | 7.39 hours |
| 21 and over | 8.31 hours |

The accumulation of vacation credit and charges against vacation leave accumulation shall be made on an hourly basis. Vacation leave may not be utilized in the pay period in which it is earned.

As used in this Agreement, the terms "continuous month" and "calendar month" mean any full calendar month of employment during which an employee is on pay status (at work or paid leave) for sixteen (16) or more working days.

Section 2

Accumulation of Vacation Credits. The maximum accumulation of vacation leave for any employee shall be equal to twice the employee's current annual rate of vacation leave credit as provided in Section 1 of this Article. An employee who is about to lose vacation credit because of accrual limitations may, by notifying the supervisor fifteen (15) calendar days in advance, be absent to prevent loss of this time. Such action taken by the employee shall not constitute a basis for disciplinary action or loss of pay. Vacation leave shall not accrue during leave of absence without pay, or educational leave without pay, when the duration of such leave exceeds fifteen (15) calendar days. Any employee who is granted a leave of absence without pay for a period in excess of sixty (60) calendar days normally shall first be scheduled for any vacation leave that has accrued to the employee's credit before being placed on leave without pay.

Section 3

Continuous Service. Continuous service is defined as service unbroken by separation from the

County service, provided, however, that the time spent by an employee on educational or military leave shall be included as continuous service.

Section 4

Scheduling Vacation. Insofar as possible, an employee shall be granted preference in scheduling vacation times. In order to minimize scheduling conflicts, employees will be encouraged to submit their vacation requests for the calendar year per their division directive. If an emergency arises and the employee is unable to take vacation leave as originally scheduled, another mutually convenient vacation period shall be scheduled. When more than one (1) employee desires the same period, the employee with seniority in the work unit shall have preference. Such exercise of seniority shall be limited to blocks of time off of one full workweek of the submitting employee or more and shall be limited to one (1) selection of one (1) vacation period per each calendar year. No vacation request will be subject to the exercise of seniority preference unless it has been scheduled by the employee for thirty (30) days or more. Seniority as used in this section is determined by the length of an employee's continuous service with the County since the last date of hire, regardless of promotions.

Section 5

Termination Vacation Pay. A regular employee who has completed an initial six (6) month period of employment in a full-time permanent position and who subsequently is terminated or laid off shall be compensated for accumulated vacation leave. In the event of death, payment of such accumulated vacation leave shall be made to the surviving spouse, or if there be none, to the employee's estate. An employee who terminates or is terminated prior to completion of such six (6) months shall not be eligible for accumulated vacation pay.

Section 6

Vacation Leave Sell-back. Effective January 1, 2025, employees who have used at least eighty (80) hours of vacation leave in the previous calendar year may choose to sell back forty (40) hours of accrued vacation leave in lieu of time off, provided the employee maintains a vacation balance of at least forty (40) hours following the payout. This option may be exercised once annually. To receive compensation in lieu of time off, the employee must submit a completed Request to Sell Vacation form to Payroll by no later than December 31st. Payment shall be included on the January payroll. The County may reject a request under this provision if notice is not provided by the employee by the required date.

ARTICLE 13 – SICK LEAVE AND BEREAVEMENT LEAVE

Section 1

Full-time employees shall accumulate sick leave at the rate of 3.7 hours per pay period. Sick leave may not be utilized in the pay period in which it is earned. Sick leave accumulated prior to the date of execution of this contract shall be credited to each employee's accumulated sick leave. Sick leave may be accumulated to a total of 1440 working hours. Sick leave shall not be paid upon termination or death.

Section 2

An employee may utilize accrued sick leave for any of the purposes set forth in Appendix B. Employees may also use sick leave for any other purposes required by state or federal law and to supplement time off taken under Paid Leave Oregon to reach 100% of normal wages.

- a. In the case of the employee's own injury or illness, the employee may be required to furnish a certificate issued by a licensed physician or practitioner or other satisfactory evidence of illness, where the County has reason to suspect abuse of sick leave privileges or where the absence from duty is more than three (3) consecutive scheduled work days.
- b. Sick leave shall be authorized because of critical illness in the employee's immediate family, if the employee's attendance is necessary. Immediate family as used in this section means the employee's spouse, same sex domestic partner or parents, children, sister, brother, grandparent, grandchild, father-in-law, mother-in-law, other close relative who resides in the employee's household and includes individuals requiring the care and support of the employee.
- c. An employee shall be allowed leave not to exceed eighty (80) hours of time off, including travel time, for a death in the employee's immediate family. Such time shall be charged to accumulated sick leave. Leave may be extended with authorization from the Sheriff. Under exceptional circumstances, leave for death may be granted by the Sheriff or the Sheriff's designee upon death of a relative other than the employee's immediate family.

Section 3

Duration of Sick Leave. The duration of sick leave with pay due to a non-work related injury or illness shall continue as long as the employee receives full pay from the County based on accumulated leave credits. At the time leave credit is exhausted (including Paid Leave Oregon) and the employee receives no salary from the County, sick leave without pay may be granted by the Sheriff for a reasonable period of disability, subject to the final authorization by the Board. If sick leave without pay is approved, the Sheriff may require periodic certification of the employee's physical condition from the attending physician or practitioner during the period of disability.

For the purpose of this section, a reasonable period means a period not to exceed thirty (30) days and that during, or at the conclusion of such period, the employee can be expected to return to the

employee's former position.

Sick leave without pay may be approved for a lesser period, may be extended or terminated if, in the opinion of the Sheriff, it is necessary to fill the position with a replacement employee. Sick leave without pay shall only be approved for a period having a fixed date of termination and shall not be open ended.

For the purpose of this section, a reasonable period means a period not to exceed thirty (30) days and that during, or at the conclusion of such period, the employee can be expected to return to the employee's former position. However, this contract shall be interpreted so as to conform with the Americans with Disabilities Act of 1990 and the Americans with Disabilities Act Amendments Act of 2008 (ADAAA), the Family Medical Leave Act of 1993 and Amendments, and the Oregon Family Leave Act.

Section 4

Bereavement Leave. In the event of a death in the employee's immediate family, the employee shall be granted necessary paid time off to grieve or make funeral and estate arrangements, attend and travel to and from the funeral to a maximum of forty (40) hours per incident. Leaves taken under this section will run concurrently and within the time periods of bereavement leave provided by the Oregon Family Leave Act (OFLA). The total time granted for this Section shall not exceed eighty (80) hours per calendar year for any employee. Leave is prorated based on budget FTE. For the purpose of this Section, an employee's immediate family shall be defined as the employee's spouse, domestic partner, parents, children, siblings, mother-in-law, father-in-law, son-in-law, daughter-in-law, grandparents, grandchildren, stepparents, stepchildren and step grandchildren. Bereavement leave shall be at the employee's regular rate of pay and shall be accounted for separately. Such leave shall not accumulate from year to year and must be approved by the Department Director. Use of accrued sick, compensatory time, vacation, and/or PTO will be authorized to extend bereavement leave, consistent with OFLA.

ARTICLE 14 – OTHER LEAVE

Section 1

Leaves of Absence. Leaves of absence without pay for a limited period not to exceed thirty (30) days may be granted for any reasonable purpose as determined by the Sheriff and consistent with the needs of the County. Leaves of absence without pay will not normally be granted until paid leave is exhausted. Such leaves may be renewed or extended for any reasonable period. No leave will be granted to any employee to accept employment in any other capacity.

Section 2

Jury Duty. Employees shall be granted leave with full pay anytime they are required to report for jury duty or as a witness other than in their capacity as a law enforcement officer; provided that such employees shall report for regular duty if jury or witness duty does not require a full shift. All jury fees and witness fees will be remitted to the County.

Section 3

Educational Leave. After completion of one (1) year of service, an employee, upon request, may be granted a leave of absence without pay for educational purposes at an accredited school when it is related to County employment. The period of such leave of absence shall not exceed one (1) year, but it may be renewed or extended at the request of the employee, when necessary, upon approval by the Sheriff and County Commissioners. Employees may also be granted leaves of absence, with or without pay, for educational purposes for reasonable lengths of time to attend conferences, seminars and other functions of a similar nature that are intended to improve or upgrade the individual's skills or professional ability, provided it does not interfere with County operations.

Section 4

Military Leave. Military, alternative service, and Peace Corps leave shall be granted in accordance with the Oregon Revised Statutes.

ARTICLE 15 – WAGES

Section 1

Effective July 1, 2024, compensation shall be increased by 3.5% and shall be reflected in Appendix "A" of this Agreement. Effective July 1, 2025, compensation shall be increased by 3.5%. Effective July 1, 2026, compensation shall be increased by 3.0%.

Section 2

Administration of Compensation Plan

- a. Rates of Pay: Each employee shall be paid one of the rates in the salary range for the class in which employed on the 11 step pay plan which is Appendix "A" of this Agreement.
- b. Entrance Salary: Normally an employee will be appointed or reinstated at the entrance rate for the class. If an appointing power believes it is necessary to make an appointment or reinstatement above the entrance rate, authorization must be obtained from the Board of County Commissioners. In determining such request, the Board shall give consideration to the qualifications of the candidate, availability of applicants and the resulting salary relationship with other similar positions.
- c. Salary Increases: Salary increases are not automatic. The Sheriff shall recommend to the Board of County Commissioners step increases only for those employees who have demonstrated satisfactory standards of work performance.
 1. Eligibility for Salary Step Increases: A new employee or promoted employee shall be eligible for advancement to the next step of the salary range of the employee classification after six (6) full calendar months of satisfactory service in that class. Employees shall be eligible for an additional adjustment at the conclusion of twelve (12) full calendar months of continuous service following any in-range salary adjustment. For the purposes of this clause, satisfactory service means that the employee rating shall average “satisfactory” or above on the rating sheet employed by the Sheriff.
 2. Exception Increases: The Sheriff may request the Board of Commissioners to approve an exception to the general rules regarding salary increases where circumstances warrant such action.
 3. Education and Certification Incentives: Employees shall be entitled to payment in addition to the foregoing for successful completion of educational and training levels as follows: Intermediate Police or Corrections Officer Certificate from DPSST: four percent (4%) of base pay.

OR

Advanced Police or Corrections Officer Certificate from DPSST: eight percent (8%) of base pay.

In addition, Certified Employees through DPSST shall be entitled to payment of:

- (a) One hundred dollars (\$100.00) per month for a job-related Associate's Degree.
- (b) Two hundred dollars (\$200.00) per month for a job-related Bachelor's Degree.

The payment of such education incentive shall commence the first of the month following the employee submission of a copy of the degree to the Sheriff.

- 4. Demotion: An employee who is demoted or reclassified to a class with a lower salary range for reasons other than disciplinary action, may retain the same salary rate, unless such action would violate Section 2(a) of this Article. Demotion for cause should ordinarily result in a corresponding reduction in salary.
- 5. Transfer: When an employee is transferred to a different position in a class with the same salary range, the employee rate of pay and eligibility day for merit salary increases remains the same.
- 6. Promotion: An employee who is promoted or whose position is re-classed upward is eligible on the date of such promotion or reclassification to go to the step in the new range that is closest to but higher than the employee's current rate of pay, as long as that step is equal to or greater than the amount of a one-step increase at the current rate of pay.

Section 3

Educational Degrees for Members not Eligible for Certification. Employees who are not eligible for certification through DPSST shall be entitled to payment of:

- a. Four percent (4%) of base pay for a job-related Associate's Degree.
- b. Eight percent (8%) of base pay for a job-related Bachelor's Degree.

Section 4

Reclassification Requests. If an employee feels that their position has been misplaced within the pay schedule, the employee should discuss their concerns with their supervisor. If the supervisor and/or the employee feel that the position is misplaced, they then should fill out a Position Review Form and submit it to the Human Resources Department for review and recommendation. A written determination shall be provided to the employee within sixty (60) calendar days after receipt by Human Resources. If the review process determines that the position should be re-classed to a higher range, the employee will be placed in the new salary range at the step nearest to but not less than the employee's current salary. In no case will the employee be paid less than the minimum of the new range. If the review process results in the position being placed in a lower pay

range, no decrease in pay will occur, and the employee will be paid at their current salary rate (a redlined employee) until the new pay range increases to the employee's current level.

All position review adjustments shall be effective the first of the month following approval by the Board of Commissioners. The employee's anniversary date will remain unchanged.

ARTICLE 16 – HEALTH AND WELFARE

Section 1

Medical/Vision, Dental and Life Insurance. Except as provided below, for the period July 1, 2024 through December 31, 2027, the County will pay on behalf of each full-time benefit eligible Bargaining Unit employee ninety percent (90%) of the monthly premium cost for medical and dental coverage, which is the CIS/Regence High Deductible Health Plan (HDHP), CIS Vision Option, and the CIS Dental Plan including the CIS Orthodontia Rider or comparable medical, vision, and dental coverage (tiered rates) chosen by the County. The employee shall be responsible for ten percent (10%) of the monthly cost. In addition, for calendar years 2025, 2026, and 2027, the County shall make one contribution per calendar year (payable on the first pay period in January) on behalf of each full-time benefit eligible Bargaining Unit employee. Each annual contribution shall be in the amount of \$1,700 for employee only and \$3,400 for employee plus dependent(s) and shall be paid to a Health Savings Account (HSA) selected by the County. New eligible employees hired after January 1st of each year shall receive pro-rated contributions at date of medical eligibility to the HSA.

For the period July 1, 2024 through December 31, 2027, and for the calendar years 2025, 2026, and 2027, the County shall make one contribution per calendar year (payable on the first pay period in January) on behalf of each full-time benefit eligible Bargaining Unit employee who is covered by the HDHP but is not eligible to receive Health Savings Account contributions due to enrollment in Medicare, Veterans' Tri Care or Indian Health Services. Each contribution shall be made to a Voluntary Employee Benefit Association (VEBA) account selected by the County in the amount of \$1,700 for employee only and \$3,400 for employee plus dependent(s). New eligible employees hired after January 1st of each year shall receive pro-rated contributions at date of medical eligibility to the VEBA.

Employee payments will continue to be made by payroll deduction through the County's Section 125 Plan.

The County will pay the full premium for a CIS Long Term Disability Insurance Plan (currently LTD Plan 2) for each full-time benefit eligible Bargaining Unit employee.

Section 2

Employee Participation. An employee on leave without pay for sixteen (16) or more working days will be required to pay a prorated amount of the County's contribution for the premiums of the coverage listed in Section 1 based on the following calculations:

$$\begin{array}{rcccl} \text{Number of LWOP days in Month} & & \text{Actual} & & \text{Amount of} \\ & & \text{Premium} & = & \text{Salary} \\ & \times & \text{Amount} & & \text{Withheld} \\ \text{Number of workable days in month} & & & & \end{array}$$

Such proration will not be effective for any leave without pay taken for the purpose of coordination

with workers' compensation benefits for such period as the injured employee is also receiving a County salary supplement chargeable to accumulated sick leave.

Section 3

Long-Term Disability. The County shall provide long-term disability insurance for each member of the bargaining unit.

Section 4

Optional Insurance Coverages. Employees desiring to participate in other optional insurance programs authorized by the County may do so at their expense on payroll withholding.

Section 5

Retirement. During the life of this agreement, the County will continue to participate in the Public Employees Retirement System (PERS) as it applies to certified police and corrections officers or its successor, or its equivalent and the sick leave conversion program.

Employees not eligible for PERS participation shall be subject to the County retirement plan. Each employee who retires under the terms and conditions of the County retirement plan will be paid an amount of money equal to fifty percent (50%) of such employee's accumulated sick leave as of the date of retirement. With verification of the County Retirement Plan Administrator that the option is legal, the employee can select from among the following options:

- To defer as much as possible into the Section 401(k) Plan OR
- To defer as much as possible into a combination of the two plans OR
- To take the money as cash.

Retiree Workback. Certified Corrections and Patrol Deputies interested in working for the Sheriff's Office after they are eligible to retire in full under the applicable laws and rules of PERS must submit a written request to the Sheriff at least 30 days in advance.

To be considered, the deputy must meet the following criteria:

- a. No last chance agreements;
- b. No corrective action plan; and
- c. Approval from the Sheriff

If approved, a retirement date will be chosen that fits both the employee's needs and the needs of the Agency.

Employees who receive approval will be non-competitively hired into their current position without a loss of pay/benefits or association status. Employees will lose all seniority for shift bidding and vacation bidding purposes as of their retirement date. Rehire date will be at the beginning of a

regular pay period, even if there is a gap between separation and rehire.

The County will appropriately allocate the employee's leave banks in accordance with the CBA and Personnel Rules relating to retirement. The employee will begin accumulating seniority and leave with their current rate as of their rehire date. Years of continuous service for vacation accruals in Article 12 and layoff in Article 23 of the parties' CBA shall continue without a break from original date of hire.

There will be no employer contribution to any County sponsored retirement plan. PERS contributions will be in accordance with PERS rules and guidelines.

Section 6

Liability Insurance. The County agrees to provide blanket liability insurance providing protection for possible claims arising out of *any* negligence from official acts as a police officer alleged against any employee. Such insurance shall also cover all costs, including attorney's fees, connected with proposed or threatened suits and negotiated settlements. The County, the Sheriff, and the County Commissioners assume no liability for punitive damages awarded against an employee.

Section 7

The County agrees to reimburse an Association member for the reasonable, usual and customary legal fees charged by an attorney as a direct result of criminal charges or a grand jury appearance against the Association member arising out of the Association member's involvement in the proper performance of duty as an employee for the County. The County's obligation of reimbursement is subject to the following:

- a. To receive reimbursement under this Article, the Association member must select an attorney from a list of attorneys that has been mutually agreed upon by the Lincoln County

Deputies Association and the County. Neither party shall unreasonably oppose the inclusion of an attorney on the list. Within sixty (60) days of the execution of this Agreement, the Association shall submit to the County the names and professional biographies of the attorneys the Association proposes for inclusion on the list. If the County Counsel does not object, in writing, to an attorney on the list within twenty (20) working days, the attorney shall be included on this list. The names on the list shall be reviewed every six (6) months upon the request of either party. If no attorney on the list is available to represent an Association member, the Association member may obtain another attorney of choice, however, the County's obligation to reimburse will arise only if the County receives written notice of the selected attorney from the Association within three (3) calendar days of the Association member or Association learning of the lack of availability of an attorney from the predetermined list.

- b. Following the initial meeting between the Association member and the attorney, the Association shall arrange for the attorney to provide the County, at no cost to the County, a preliminary estimate of the anticipated legal fees, costs and expenses. This preliminary estimate shall be directed to the County Counsel the Sheriff, and the Association.
- c. Before becoming obligated under this Article, the County shall be presented with a sworn affidavit by the attorney listing an hourly breakdown of the time spent and a brief description of the purpose of such time. The attorney shall account for and value time at the attorney's most favorable rate, not to exceed \$250.00 per hour. If the County, in its discretion, feels the charges exceed the reasonable, usual and customary fees normally charged, the parties shall submit the matter to the Oregon State Bar Fee Arbitration program for resolution. The decision of the OSB fee arbitrator or arbitration panel shall be final and binding as to the County's obligation under this Article. Under no circumstances shall the provisions of this Article give rise to a claim of any sort against the County by the attorney retained or selected by the Association member.
- d. Reimbursement will not be made in those instances where:
 1. The Association member is convicted by verdict or plea, or pleads no contest to any criminal charges arising out of the incident;
 2. The Department sustains any disciplinary charge(s) on the basis of the Association member's actions which formed any part of the basis for the possible criminal liability unless the Department's disciplinary action is wholly set aside on grievance appeal;
 3. The County shall have no obligation to reimburse an Association member, the Association or counsel for the Association for costs or legal fees in any instance where the Association member or the Association elect to have counsel for the Association represent the Association member involved in the incident at any stage of the criminal proceeding, including, but not limited to, any grand jury proceeding;
 4. The County shall have no obligation to reimburse an Association member, the Association, or counsel for the Association for costs or legal fees associated with

representation at pre-disciplinary procedures; and

5. The County shall have no obligation to reimburse an Association member, the Association, or counsel for the Association for fees associated with representation at or in conjunction with the filing of a civil claim, except in accordance with the indemnity requirements of the Oregon Tort Claims Act.
- e. Any reimbursement required by the County shall be made only at the conclusion of all criminal and disciplinary proceedings against the Association member relating to or arising out of the incident and are subject to the following monetary maximums:
 1. Legal fees relating to a grand jury investigation and/or appearance: \$5,000,

Section 4

Section 5

Duration of Workers' Compensation Leave. The duration of a leave of absence which results from an on-the-job illness or injury shall be limited to eight (8) months if, in the County's opinion, it appears that the employee can reasonably be expected to return to County employment. In forming its opinion, the County shall consider doctors' reports and other medical evidence submitted on behalf of the employee. The County shall act in good faith in this matter.

Any claim for such damage must be submitted to the Sheriff within fifteen (15) days of the date the damage occurred. The Sheriff shall expeditiously process such claims and forward those approved for payment to the Board.

Employees shall request restitution for personal property damage from the Court in those instances where the Court is considered to have authority to order such restitution. Employees who have received reimbursements from the County for personal property damage shall return to the County all monies subsequently issued to the employees as a result of Court order.

ARTICLE 21 – DISCIPLINE AND DISCHARGE

Section 1

Employment Conduct Generally. The expected standard of conduct for employees shall be in the public interest as opposed to individual interests. Therefore, in order to render the best possible service to the general public and to reflect credit on the County service, high standards of conduct are deemed essential. The tenure of every employee shall be conditioned on good behavior and satisfactory performance of duties.

Section 2

Discipline. Both parties recognize that the primary purpose of discipline is rectification rather than punishment. The Sheriff shall take appropriate disciplinary action in dealing with employee misconduct. The principles of progressive discipline shall apply where appropriate. The Sheriff shall proceed in good faith and fairness in all disciplinary matters and shall only discipline employees for just cause. If the Sheriff or a supervisor has reason to discipline an employee, the discipline will be carried out in a professional manner, free of harassment, embarrassment or intimidation. Furthermore, an employee's assertion of existing legal rights will be respected,

Section 3

Cause for Disciplinary Action. Any action which is a hindrance to the effective performance of the departmental functions shall be considered good cause for disciplinary action. Improper action by an employee in an official capacity tending to bring the County into discredit or which tends to affect the employee's ability to perform or any improper use of the employee's position as an employee or personal advantage shall also be judged good cause. In addition, good cause includes, but is not limited to, the following:

The Association may enter a grievance concerning a disciplinary pay reduction, suspension and/or discharge of an employee who has completed the required period of trial service at Step 2 of the Grievance Procedure, Article 22 of this Agreement. The Sheriff may require written verification that the employee has successfully completed the program, and the Sheriff may also require verification of all follow-up counseling/meetings, etc., that the employee is required to attend as part of the rehabilitation process.
- b. If the employee is terminated, nothing in Section 8(a) of this Article shall be construed to deny the employee recourse to the contractual grievance procedure.
- c. If an employee acknowledges to a supervisor that they have an abuse problem related to a legal drug and said employee requests assistance in obtaining treatment, no discipline shall result from the employee's acknowledgment of the problem. The County shall make its evaluation and treatment resources available to the employee.

Section 9

Association Representation in Interview and Discipline Process.

- a. Any employee who will be interviewed at a disciplinary interview concerning an act which, if proven, could reasonably result in disciplinary action involving loss of pay or dismissal, will be afforded the following safeguards:
 1. The employee and the Association will be informed that a formal investigation is commencing, unless the employee is under investigation for violation of the Controlled Substance Act, or violations which *are* punishable as felonies or misdemeanors under law, or if doing so would jeopardize either the criminal or administrative investigation
 2. At least forty eight (48) hours prior to a disciplinary interview by the County of an employee, the result of which could be that the County may impose an economic sanction upon the employee as a result of the underlying incident, the employee and the Association will be informed, in writing, of the nature of the investigation and the specific allegations, policies, procedures and/or laws which form the basis for the investigation.
 3. The employee shall be allowed the right to have an Association representative present during the interview which could reasonably result in disciplinary action involving loss of pay or dismissal. The opportunity to have the Association representative present at the interview shall not delay the interview more than four (4) hours, except for minor

complaints (incidents for which no more than a verbal warning may result) which may be handled immediately when a representative is not readily available. Additionally, if in the course of the interview for discipline that could result in discipline not involving loss of pay or dismissal it appears as if a more serious disciplinary problem has developed, the employee will be allowed up to four (4) hours to obtain a representative to be present at the interview.

4. All interviews shall take place at Department facilities, or elsewhere if mutually agreed, unless an emergency exists which requires the interview to be conducted elsewhere.
 5. The County shall make a reasonable good faith effort to conduct these interviews during the employee's regularly scheduled shift, except for emergencies. Where an employee is working on a graveyard shift, the County will endeavor to conduct the interview contiguously to the employee's shift, and the appropriate overtime or irregular hours payments shall be made to the employee.
 6. The employee will be directed to answer any questions specifically involving the non-criminal matter(s) under investigation and will be afforded all rights and privileges to which they are entitled under the laws of the State of Oregon or the United States of America.
 7. The employee shall be entitled to such reasonable intermissions as may be requested for personal necessities.
 8. All interviews shall be limited in scope to activities, circumstances, events, conduct or acts which pertain to the incident which is the subject of the investigation.  9. Interviews and investigations shall be concluded without unreasonable delay.
 10. The employee and the Association shall be notified in writing of the results of any investigation. - b. Use of Deadly Force Situations. Employees involved in the use of deadly force shall be advised of their rights to and shall be allowed to consult with an Association representative or attorney prior to being required to give an oral or written statement about the use of force. Such right to consult with a representative or with counsel shall not unduly delay the giving of the statement,

This section shall not prevent informal inquiry following an event which will be formally investigated in order to ascertain what occurred to the best of the involved officer's ability to recall, provided however, that the County shall only rely upon the involved officer's formal interview statements for all administrative purposes.

- c. Nothing in this Article or Section shall prevent the County from, at its determination, at any time placing an Association member on paid administrative leave pending completion of the investigation. The County shall not be required to provide the Association any advance notice of such action.

ARTICLE 22 – GRIEVANCE PROCEDURE

Any grievance or dispute which may arise between the parties to this Agreement regarding the application, meaning or interpretation of this Agreement, may be settled as set forth below:

Step 1: The employee, with Association representation, shall, within fifteen (15) calendar days of the date of the occurrence of the alleged violation, submit the grievance in writing to the supervisor whose action is the subject of the grievance. Once a bargaining unit member files a grievance, the employee shall not be required to discuss the subject matter of the grievance without the presence of an Association representative.

The written grievance shall include:

- a. The name of the employee in whose name the grievance is filed.
- b. The date of the circumstances giving rise to the grievance and/or date of first knowledge that a grievance has occurred.
- c. A statement of the grievance, including the provisions of the Agreement alleged to have been violated.
- d. The remedy sought.
- e. The signature of either the grievant or the grievant's Association representative. The immediate supervisor shall respond in writing to the employee and their Association representative within ten (10) calendar days following receipt of such written report.

Step 2: If the grievance still remains unsettled, the employee, with Association representation, may, within ten (10) calendar days after the written reply of the immediate supervisor is due, submit the grievance to the Division Commander (if the Division Commander is the immediate supervisor involved in Step 2, then the employee may skip this step and proceed directly to Step 3). The Division Commander shall, upon receipt of the grievance, arrange a meeting with the grievant and their Association representative within ten (10) calendar days. The Division Commander, after this meeting, shall respond in writing to the employee and the Association within ten (10) calendar days.

Step 3: If the grievance still remains unsettled, the employee, with Association representation, may, within ten (10) calendar days after the written reply of the Division Commander is due, submit the grievance to the Sheriff. The Sheriff shall, upon receipt of the grievance, arrange a meeting with the grievant and their Association representative within ten (10) calendar days. The

Sheriff, after this meeting, shall respond in writing to the employee and the Association within ten (10) calendar days.

Step 4: If the grievance still remains unresolved, the Association may submit the matter to binding arbitration, except as provided by Section 1 below.

Section 1

If the grievance involves payment of monies, the matter shall be submitted to the Board within ten (10) calendar days of the response from the Sheriff. The Board shall respond in writing to the representative within ten (10) calendar days. If the grievance still remains unresolved, the Association may then submit the matter to binding arbitration.

Section 2

The arbitration proceeding shall be conducted by an arbitrator to be selected by the Sheriff or Board, depending on the subject of the grievance, and the Association within five (5) calendar days after notice has been given. If the parties fail to select an arbitrator, the State Employment Relations Board shall be requested by either or both parties to provide a panel of five (5) arbitrators. Both the Sheriff or Board and the Association shall have the right to strike two (2) names from the panel. The party who strikes the first name shall be chosen by lot. The process will be repeated and the remaining person shall be the arbitrator. The arbitrator shall begin taking evidence and testimony as soon as possible after selection. Notwithstanding the above, for disciplinary grievances involving law enforcement officers, arbitrator selection must be made in accordance with ORS 243.808.

Section 3

The arbitrator shall render a decision no later than thirty (30) calendar days after the conclusion of the final hearing. The power of the arbitrator shall be limited to interpreting this Agreement and determining if it has been violated and to resolve the grievance within the terms of this Agreement. For disciplinary grievances involving law enforcement officers, the arbitrator's decision must be in accordance with ORS 243.808.

Section 4

The decision of the arbitrator shall be binding on both parties. The costs of the arbitrator shall be borne equally by both parties. Each party shall be responsible for the cost of presenting its own case to arbitration. Any or all time limits specified in the grievance procedures may be waived by mutual consent of the parties.

Section 5

The parties acknowledge that the right to file a grievance is a fundamental right under the Agreement, Therefore, there shall be no reprisals of any kind against an employee because they file a grievance.

ARTICLE 23 – LAYOFF

Section 1

"Seniority" as used in this Agreement is determined by the length of continuous service with the Sheriff's Office since the employee's last date of hire. Termination from employment shall cause all seniority to be lost. Continuous service shall be service unbroken by separation from the County service, other than by military, Peace Corps, vacation, sick leave or any other paid leave. Time spent on other types of authorized leave will not count as time of continuous service, except that employees returning from such leave, or employees who were laid off, shall be entitled to credit for service prior to the leave or layoff.

Section 2

In the event that a layoff is necessary as determined by the County, employees shall be laid off within each classification for which a position(s) is to be discontinued by inverse order of seniority, providing the employee to be retained is fully competent to perform the duties of the remaining position. Bumping shall be in order of the highest classification to which the employee has bumping rights down to the lowest such classification, until the employee secures a position. The Sheriff shall provide a written notice of layoff of three (3) calendar weeks to affected employees. An employee desiring to exercise the right to bump shall notify the Sheriff of such intent within five (5) calendar days from receipt of notice of layoff. Failure of an employee to provide such notice shall cause the bumping right to be forfeited. Bumping and recall other than that mandated above and in Section 3 of this Article shall be allowed, provided the employee is fully competent to perform the duties of the position, as determined by the Sheriff.

Section 3

Laid-off employees shall be recalled to vacant available positions in classifications from which they were laid off in the order of most senior first, least senior last. This recall right terminates one (1) year after the date of layoff. During the one (1) year period of layoff, notice of openings in the employee job classification shall be forwarded by certified mail directly to the laid-off employee's last known mailing address. It shall be the employee's responsibility to keep the County apprised of their current mailing address for that period. To be considered, the employee must respond within seven (7) calendar days of receipt of the notice.

Section 4

Accumulated sick leave and the continuous service credits an employee gained prior to the date of layoff shall be restored when an employee is returned to employment from layoff. No benefits shall accrue during a period of layoff.

Section 5

No new employees shall be hired in any vacated position until all employees on layoff status in the classification of said position have had an opportunity to return to work in their former positions and classifications as provided in Section 3 above.

ARTICLE 24 – SCOPE OF AGREEMENT

This document constitutes the sole and complete agreement between the Association, the Sheriff and the Board and embodies all the negotiated terms and conditions governing the employment of employees in the bargaining unit. The parties acknowledge that they have had the opportunity to present and discuss proposals on any subject which is or may be subject to negotiation. Any prior written or unwritten commitment or agreement between the parties and any individual employee covered by this agreement is hereby superseded by the terms of this agreement. Except as specifically limited by the terms of this agreement, it is recognized that the responsibilities and authority of management are exclusively functions to be exercised by the Board and Sheriff. All rights guaranteed to the employees of the Lincoln County Sheriff's Office under ORS 243.650 - 243.809 to negotiate wages, hours and conditions of employment are retained by the bargaining unit employees.

ARTICLE 25 – SAVINGS CLAUSE

If any Article or Section of this Agreement or any addition thereto should be held invalid by operation of the law or by any lawful tribunal having jurisdiction, or if compliance with or enforcement of any Article or Section should be restricted by such tribunal, the remainder of the Agreement and addendum shall not be affected thereby, and the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement for such Article or Section.

ARTICLE 26 – TERMINATION

Section 1

This Agreement shall be effective upon ratification with the first-year wage increase retroactive to July 1, 2024 and shall remain in full force and effect until June 30, 2027.

Section 2

If either party wishes to renew or modify the Agreement as of July 1, 2027, notification of such renewal or modification must be submitted in writing to the other party by January 1, 2027, however the parties are encouraged to give notice by July 1, 2026, so that bargaining may begin shortly thereafter. Negotiations shall begin as mutually agreed between the parties.

Section 3

This Agreement shall remain in full force and effect during the period of such negotiations.

Section 4

This Agreement may be terminated at any time by mutual agreement of the parties.

IN WITNESS WHEREOF, the parties hereto have set their hand this 18th day of September 2024.
