

Community Shelter & Resource Center Volunteers are Amazing!

“Saving lives, one night at a time.”

Volunteers bring so much to the shelter, and we could not succeed in helping saving lives without their generous time, care, and smiles. It means so much to everyone at the shelter and makes our community better.

Our services are available regardless of age, race, color, sex, religion, national origin, physical or mental disability, sexual orientation, gender identity, and marital status.
