TO: Bidders of RFP #2026FS01 - Cardlock Facility Fuel Line Repair

APPROVED BY: Mikel S Diwan, PE
Lincoln County Public Works Director

SUBJECT: BID PACKAGE ADDENDUM #1

This Addendum is issued to respond to any questions submitted by prospective contractors.

The following question was received, and the County's response is provided below.

Q. Is there an expectation of encountering contaminated soils that will need to be treated and/or disposed of?

A. No. The county is not anticipating encountering contaminated soils. If contaminated soils are encountered, the cost of disposing of such materials will be negotiated via change order. Bidders that want to include the cost of disposing of contaminated soils should identify it as a contingency bid item in their proposals. Contingency bid items will not be factored into proposal evaluations.
